Re: *Michael Dewayne Dennis v. United States of America*
Motion for Extension of Time to Submit Declaration of Petitioner in
Support of Application to Proceed In Forma Pauperis on Petition for
Writ of Certiorari

Dear Mr. Harris:

On behalf of the above-named Petitioner, please accept this letter as a Motion presented pursuant to Rule 30.4. Petitioner respectfully requests an extension of time to submit the Declaration of Petitioner in Support of his Motion for Leave to Proceed in Forma Pauperis. Undersigned counsel spoke on the phone with Petitioner, who is incarcerated in the Federal Correctional Institute in Beaumont, Texas, on December 21, 2022 and confirmed in that Petitioner had signed his Declaration in Support of his Motion for Leave to Proceed in Forma Pauperis and had placed such Declaration in the United States Mail for delivery to the undersigned. Even with the holiday, I anticipated receiving the Declaration in advance of today's deadline for filing the Petition for Writ of Certiorari. However, the Declaration did not arrive and was not received in today's mail. Counsel reasonably believes that delivery of the document is imminent and hereby requests an extension of time to file the supporting Declaration Support of Motion for Leave to Proceed in Forma Pauperis of ten (10) days.

Respectfully Submitted,

/s/ John F. Carroll
