PS-

remembers the pledge of Allegiance and the Preamble
FOR our citizens & its boundaries FOR General Welfare
I did do this anyways my family did and if I were
under 18 yrs it would be child endangerment, but there
is a law on the books that I found some days ago
that tells FOR after 18 yrs called Wilful Failure to Sup-
port which is exactly what it was & still is. Would you
do this to you family.
