To: The Parties

Upon consideration of the motion to supplement the record on appeal, and having received no response, the Court DENIES the motion because the requested supplements either already appear in the record filed with this Court or do not fall within the definition of the record on appeal in this matter pursuant to C.A.R. 10.

Furthermore, the Court ORDERS that the "notice of appeal" filed with this Court on October 7, 2021, is STRICKEN as unnecessarily filed.
