# AFFIDAVIT OF BRENDA PROPPER

STATE OF TEXAS

COUNTY OF DALLAS

BEFORE ME, the undersigned authority, on this day appeared Brenda Propper who is personally known to me, and first being duly sworn according to law upon his oath, deposed and said as follows:

My name is Brenda Propper, I am over 18 years of age, and I am fully competent to make this affidavit. I have personal knowledge of the facts stated herein, and they are all true and correct.

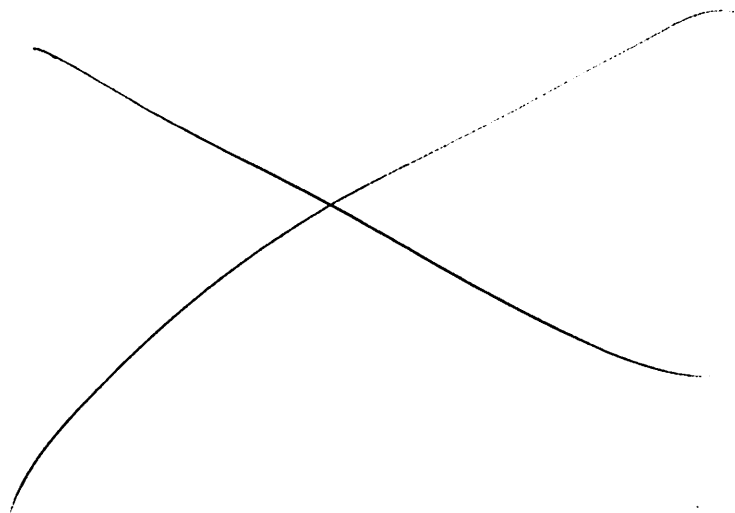

On August 11, 2022 I made a declaration on Wesley Ruiz's case. I talked about growing up in Oak Cliff. As someone who grew up there in the 60's + 70's time, was different. We all had our own territories, but yet we all were diversified. I understood what the street life was like, because I had friends + family in that lifestyle. I had a human compassion for Mr. Ruiz because of it. I was not nor am not bias to anyone or any race. I have black, hispanic, and white members of my own family. Bussing was brought up in elementary school, which my dad didn't want me bussed to another school because we had a school around the corner.

Even though I have had violent events happen in my family, none have given me any thought or feelings of bias towards hispanics or any race. I am a christian and I believe<sup>or</sup> will be judged by our own actions and not as a group.

When I sat on the jury in 2008, I took it very seriously. I looked at evidence including the video to be sure of my decision. During deliberations there was not any discussion or bias~~at~~<sup>BP</sup> about Mr. Ruiz's ethnicity.

I did write this statement in my own handwriting and without any influence.
