Question(s) Presented

"CAPITOL CASE" ... See: APPENDIX P-3, Page 6, Lines 4 and 5,
also See: APPENDIX L, Page 10, 1st Paragraph.

Iowa Only appoints 2 attorneys for a "Capitol Case"

Question number one; After Showing the Clerk of the SUPREME COURT of the United States the Facts listed above and a Fore, Considering the "Judgement Entries Following Sentencing Hearing" will you please File and docket and Submit my Rehearing Petition to the Justices?

Question number two; IF the State of Iowa is guilty of Assigning me to Suicide Self Injury Protocol or SSIP as a watcher to document exactly what each man on SSIP is doing every 5 minutes, For multiple years since Jan 2018 Wouldn't this Factually make Iowa the Sex Offender by them Assigning me to do this both at IMCC and NCF because the men on SSIP remove their Smocks, expose themselves and even masturbate and Iowa Saddled me with the job of me watching & documenting them and I am Bi-Polar Mania Depressant (documented) since 1986 and I am a Survivor of many years of Child molestations?

Question number three; Since Iowa did not Convict me of any Sex Offenses and I do not have a history of Sex Offenses and Iowa unconstitutionally added SOTP mandates, am I an Iowa Victim?

Ground one: I'm in Prison For Something other than what I was accused of and Iowa Racketeered entities to Organize hidden requirements and mandates impossible For the Common Man to see, which they are using to unconstitutionally Force False admissions to the Originally accused charges that I'm not in Prison For and not convicted of.

REASONS FOR GRANTING THE PETITION

I have been incarcerated For 6 years and 8 months because of these lies and organized crimes being done to keep me locked up.

I'm 56½ years old, I'm a Granddad, a dad and my mother is sick.

The biggest reasons, "I'm Not Guilty," and I'm an American and I'm Never going to Falsely admit to those Police Reports of Lies, I'm not ever taking no S O T P Class, It does not let you tell the truth, It Forces Lies and thats Not honest & thats Not taking any Accountability, that is Lying and unconstitutionally Self incriminating.

I'm So Serious about this. This is bad, Them Lawyers wrote down I'd serve 20 months and Coersed me into a plea using my then 6 month old son. That was 69 months ago that they did that. I've been locked up 79 months. I don't have the years to spare. This is longer than I've ever been locked up, by alot.

STopping my earntime is Criminal/never should that be allowed in America For that, It was 9/1/2023,
"My Discharge date"

CONCLUSION

I need your help, Iowa isn't going to Correct Iowa, Iowa is the Criminal(s) in this case... 100%.

I have been the only one telling the truth in my case, I don't see how a Cop, attorney, Judge is pleased doing wrong.

"Letter to the Clerk,"

Mr. JACOB LEVITAN,

"CAPITOL CASE",

April 29, 2023

From Cecil Williamson Jr.

Sir, I am Confused... I recieved your letter of instructions written April 14, 2023 in Re to Petition For Rehearing Filings you recieved March 31st 2023. (Thirty First)

In Re to your Instructions I Filed with a Declaration and Certificate of Service April 24, 2023 & had it notarized & mailed April 25, 2023.

Then I recieved another letter from you dated April 14, 2023 that was stamped in big "Red" letters where it said By: "COPY" and it was Postmarked April 25, 2023 but I did not recieve it until yesterday April 28, 2023 at mail Call.

Due to Considering the "Recieved" dated Stamps on my Pro-Se Filings returned from you Compared to the dates I wrote the Filings and mailed them at IMCC and their Postmarks I've become Perplexed & Afraid because I've got copies of mail I sent you from March 21, 2023 that you recieved on or about March 31, 2023 and April 4, 2023 and others with similar time lines being mailed, postmarked, Recieved etc.,

Plus Factor in that I'm Not Trained / Legal Representation & am filing "Pro-Se" and the Facts you state you want File if its not there in 15 days & more. I Filed a Supplemental Brief. I'm Confused.
