RE: /Kelly v Swartz, et al. No 22-6783/Application No. 22A747
Strike incomplete Exhibit 4, with the complete exhibit for
Appellant Plaintiff Meghan Kelly's Application to the Honorable Justice Alito to place removed
exhibits back on the Docket to prevent the deprivation of her 5th Amendment Equal Protections
and procedural due process right to a full and fair opportunity to be heard without selective,
arbitrary, disparate, unfavorable treatment towards her as applied

March 25, 2023

Dear Honorable Clerk of Court:

On Friday March 25, 2023, I mailed out Appellant Plaintiff Meghan Kelly's Application
to the Honorable Justice Alito to place removed exhibits back on the Docket to prevent the
deprivation of her 5th Amendment Equal Protections and procedural due process right to a full
and fair opportunity to be heard without selective, arbitrary, disparate, unfavorable treatment
towards her as applied, which this Honorable Court is expected to receive Monday March 27,
2023.

The Exhibit 4 thereto I uploaded is not accurate. I accidentally uploaded an incomplete
version which does not reflect the paper copies. Please replace the Exhibit 4 with the accurate
version I am uploading, which is what the Court will receive on Monday.

I apologize for my error. I am acting in haste, because if I do not assert my rights I have
none. They may be deemed waived.

Thank you for your help.

Respectfully Submitted,

March 25 2023

/s/Meghan Kelly
