Vs.

of

JAMES EARNEST FLOYD, JR.

Tarrant County, Texas

Finding on Appointment of Attorney

The court deviates from the public appointment system of rotation and appoints WILLIAM BIGGS. The Court finds that good cause exists for appointing the attorney out of the order of rotation:

_____ a language barrier exists between the defendant and the former attorney

_____ the offense charged has increased from the original charge and the former Attorney does not meet the qualifications for the increased charge.

_____ the defendant has filed notice of appeal and requests counsel other than his trial attorney

_____ a legal conflict exists between the defendant and his former attorney

_____ special knowledge of the law of post conviction DNA testing is required.

_____ Exigent circumstances require the immediate appointment of an attorney who is present in court.

_____ the complexity of the case against the defendant requires counsel with more experience than currently possessed by former attorney.
Defendant approves substitution of counsel.

X Other: Counsel appointed to prepare appellate issues raised at pretrial.

SO ORDERED on this 21 day of August, 2020.
