Re: *Crosley Alexander Green v. Ricky D. Dixon, Secretary, Florida Department of Corrections, et al.*, Case No. 22-686, Notice of Forthcoming *Amici Curiae* Briefs

Dear Mr. Harris:

On February 6, 2023, this Court docketed respondents' waiver of their right to respond to the petition for writ of certiorari in this case. On behalf of petitioner, I write to inform the Court that, unless the Court calls for a response to the petition before February 23, 2023 (thereby extending the deadline for briefs *amici curiae*), four *amici curiae* have noticed their intent to file a brief *amicus curiae* in support of the petition on or before that date: a group of former prosecutors, a group of former state-court judges, a group of law-school professors, and the Due Process Institute. Petitioner respectfully requests that this letter be distributed to the Court for consideration in advance of the date set for conference, February 24, 2023.

Respectfully submitted this 15th day of February, 2023.

/s/ Keith J. Harrison
