Affidavit in Support of Motion

The undersigned swears under penalty of perjury under United States laws (28 U.S.C. §1746; 18 U.S.C. §1621) that this instrument is true and correct; that because of their poverty they would be unable to petition this Court if not for a grant of leave to proceed in forma pauperis; and that they verily believe they are entitled to redress.

Logan Dujak

Petitioner Logan Dujak seeks leave to proceed in forma pauperis, and in support thereof:

1. Petitioner sought leave to proceed in forma pauperis in this cause from the United States Court of Appeals for the Seventh Circuit. Circuit Judge Michael B. Brennan granted Petitioner leave to proceed on appeal in forma pauperis. [Dujak v. Lynn, 7TH Cir. 21-3212 (April 1, 2022, Order).]

2. Petitioner's questions presented in their petition for writ of certiorari are:

(a) In an action in which an individual, civilly committed for mental health treatment, brought a failure-to-protect claim against state officials under 42 U.S.C. §1983, is there a constitutional right to minimally adequate care and treatment under the Fourteenth Amendment of the United States Constitution?

(b) In an action petitioning for a redress from unconstitutional sexual acts, is application of the Prison Litigation Reform Act to prohibit such petitioning violative of the First and Fourteenth Amendments to the United States Constitution?

3. Petitioner does not have, and has never had, a spouse.

4. The only money Petitioner has received during the past 12 months, from any source, is a \$3500 settlement, and a \$20 gift. This averages to \$293.33 per month.

5. Petitioner has not been employed for approximately 20 years.

6. Petitioner has approximately \$156.96 (\$20 on hand, \$127.96 in an account, and approximately \$9 in storage).

7. Petitioner's only account is a trust fund at the McFarland Mental Health Center in Springfield, Illinois. Statements dating back to September 30, 2021, are attached. [A2-A6.]

8. Petitioner has no assets, no real estate, and no vehicle.

9. Petitioner is not owed any money.

10. Petitioner has no dependents.
11. Petitioner's total monthly expenses amount to approximately \$400, all for food.
12. Petitioner expects major changes in their monthly income during the next 12 months. Petitioner's only notable income in the last 12 months was from a one-time Settlement. Petitioner cannot anticipate any income from any source in the next 12 months.
13. Approximately \$1000 has been spent on this action, for filing fees, paper, ink, index cards, and envelopes.
14. Petitioner is unable to proceed absent a grant of this motion because they have paid more than their entire income over the last 12 months to United States District Courts (for filing fees). [A4, A5.]
15. Petitioner's legal residence is in Springfield, Illinois
16. Petitioner's daytime phone number is (217) 786.6810.
17. Petitioner is 35 years of age.
18. Petitioner has some college education.
