Re: No. 22-704, *Vidal v. Elster*

Dear Ms. McNerney:

As counsel of record for the respondent in this case, I write to request a short extension of the briefing schedule. This request is necessary because of scheduling conflicts and family illnesses on my end, and it would not affect the Court's ability to hear oral argument during the November sitting.

I have conferred with counsel for the petitioner, who consents to this request.

The respondent's brief is currently due on August 29. I respectfully request a seven-day extension of that deadline, to and including September 5. The reply brief would then be due on October 5, allowing sufficient time between the reply and the oral argument in November.

Thanks very much for your attention to this matter.

Sincerely,

Jonathan E. Taylor
Counsel for Respondent
