Re: *Chevron USA, Inc., et al. v. Plaquemines Parish, Louisiana, et al.*, No. 22-715

Dear Mr. Harris

On February 7, 2023, this Court docketed Respondents' waiver of their right to respond to the petition for a writ of certiorari in the above-captioned case. Petitioners write to inform the Court that we have been advised that several amici curiae intend to file briefs in support of the petition, including two former Chairmen of the Joint Chiefs of Staff (Retired General Myers and Retired Admiral Mullen), the American Petroleum Institute, and the Chamber of Commerce of the United States together with the National Association of Manufacturers. It is our understanding that two of the three groups of amici will endeavor to file their briefs on or before February 24, 2023 (unless the Court calls for a response, thereby extending the deadline for amici curiae briefs). Petitioners respectfully ask that this letter be distributed with the petition for writ of certiorari.

Sincerely,

Peter D. Keisler
