IN THE  
SUPREME COURT OF THE UNITED STATES

**QUESTION**

Pursuant to Supreme Court Rule 24(1)

Did the Florida Twelfth Judicial Circuit Court and Appellate Courts violate Petitioner's 14<sup>th</sup>, Sections 1 and 3 Constitutional Due Process rights, expressed in 50 U.S.C. § 1701 and 50 U.S.C. § 3369(a)(1),(3), by allowing Glavnoe Razvedyvatel' noe Upravenie or G.R.U. Officer to preside as pre-trial judge "Janette Dunnigan" and Jurist along with her prosecutors over Petitioner Fast, a (Former?) compromised and disabled National Security Agency Aerospace Engineer, causing structural jurisdiction errors by denying Petitioner's access to the United States Courts that have exclusive original jurisdiction rights over the G.R.U.'s persistent and pervasive attempts at neutralizing Petitioner and to cause the "undermine[ing] of [Florida's and] America's democracy" in this nullified and void federal Cold War case.

IN THE  
SUPREME COURT OF THE UNITED STATES

---

PETITION FOR WRIT OF  
CERTIORARI

---

To the Honorable Associate Justice Neil M. Gorsuch, Justices and Clerks:

Petitioner, Thomas L. Fast, respectfully moves this Supreme Court to exercise its supervisory power to resolve the structural jurisdiction error claimed by Petitioner regarding this Florida preempted Federal Cold War case, on-going since 1978 to the present, in accordance to S. Ct. R. 10(a); 17(3); 22; Fed R. Civ. P. 8. And, Petitioner prays that a writ of certiorari issue to review the judgment below.

“This Document inartfully pleaded  
must be ... liberally construed,”  
*Erickson v. Purdue*, 551 U.S. 89, 127 S. Ct. At 2200.

**JURISDICTION**

For cases from State Courts:

The opinion of the highest state court to review the merits appears at Appendix 2 to the petition and is

Not decided at this time

The jurisdiction of this Court is invoked under Article III Section 2 Clause 2 of the Constitution of the Untied States, 28 U.S.C. 1251, 28 U.S.C. 1257(a), and the following, 28 U.S.C. 2403 may apply.

The misplaced jurisdiction in state court was the “poisonous tree” and everything that followed was “fruit” from that governmental wrong doing.

## **REASONS FOR GRANTING THE WRIT OF CERTIORARI**

### **A) JURISDICTION ISSUE**

The State preemption of this Federal case affected the framework within the trial procedures, (A-124 to 134). *Fulminate v. Arizona*, 499 U.S. 279, 309, 310.

A Soviet G.R.U. Officer “Janette Dunnigan” claiming diplomatic immunity waived at Manatee County, Florida voters her new G.R.U. issued gold colored metal, not gold, medal on approximately December 12, 2022 (or one of her prostitutes) for her successes at damaging Florida and “America’s Democracy” through her acting as a Judge-Jurist in her “Dunnigan Court” through this and many other cases. And is the same as no judge or jurist during pre-trial and post-trial procedures, (A-106 to 109: DKT. Entries 7, 17, 23, 26, 28, 35-36, 41-44, 46-49, 98-99, 135, 139, 142, 150, 159-160, 165, 236, 405, 407), and shows a partial and biased judge-jurist, (A-104 to A-134), which is structural jurisdiction error. *Fulminante*, supra; *Weaver v. Massachusetts*, 137 S. Ct. 1899, 1907, 198 L. Ed. 2d 420 (2017). 50 U.S.C. § 1701, 50 U.S.C. § 3369(a)(1)(3).

The above shows Florida's Twelfth Judicial Circuit Court preemption of this Federal Cold War case and “Ha[ve] so far departed from the accepted and usual course of judicial proceedings as to call for the exercise of court supervisory powers.” S. Ct. R. 10(a); See S. Ct. R. 16.1. And, shows Florida Courts' and Law Enforcement Officers' “Sponsorship of Terrorist Group(s) which has caused the “personal injury” of Petitioner and his murdered maternal/Wife “Manheim” family members that includes Petitioner's, three times now, G.R.U.–Shining Path–F.A.R.C. kidnapped wife and terrorists murder of Petitioner and Wife's newborn baby girl, “is sufficient to invoke this Court's jurisdiction” under, Article III, Section 2, Clause 2; Article VI, Clause 2; 6<sup>th</sup>

and 14th[1],[3] United States Constitutional Amendments, 28 U.S.C. § 1251 (a)(2)(b)(1)(3), 18 U.S.C. § 2338; 50 U.S.C. § 1701, 50 U.S.C. § 3369 (a)(1)(3). *Marbury v. Madison*, 5 U.S. 147 (1803) A G.R.U. officer adjudicating over Petitioner a (Former?) National Security Officer is “repugnant” to the Constitution in this nullified and void case, *Cohens v. Virginia*, 19 U.S. 264, 5 L. Ed. 257 (1821); *Weaver*, *supra*.

This extraordinary case shows constitutional due process violations have resulted in Petitioner's convictions and Petitioner shows actual innocence, (A-135 to 141). *Murray v. Carrier*, 477 U.S. 478, 498, 106 S. Ct. 2639, 91 L. Ed. 2d 397 (1986). A continued miscarriage of justice will result by barring critical exculpatory Federal evidence that overcomes the timeliness bar.

#### **B) CASE HISTORY**

The case history is on (Attachment page, herein known as, (A-1 to A-103) to Fla. R. Crim. P. 3.800(a) on Appeal (A-96 to A-103).

The facts admitted as evidence at trial were planted and falsified D.N.A. after Petitioner's June 30, 2007 arrest and following the very thorough crime scene technicians' residential crime scene processing from June 30, 2007 6:30 A.M. to early morning to July 1, 2007, (A-135, A-136). The D.N.A. was the State's only murder conviction evidence.

The jewelry evidence admitted at trial to convict for robbery was in the physical possession of State witness “Bruce Fast” on July 5<sup>th</sup> or 6<sup>th</sup>, 2007, Five or Six days after Petitioner's June 30, 2007 arrest, (A-137, A-138).

The facts show that the decedent and “Bruce Fast” have, (Soviet Russian Military Intelligence Officers or G.R.U.; Forces Armed Revolutionaries of Colombia, (Herein known as,

F.A.R.C.) or their partnered terrorist guerrillas organizations cells members known as A.U.C./E.L.N,) Chameleon or imposter plastic surgery scars, (A-139 to 141, see Thursday July 26, 2007) leading an intelligent person to believe decedent was not “Susan I. Fast,” but instead a G.R.U. or A.U.C. Chameleon, which is common in the intelligence community, a switch that probably occurred in 1988. Prosecutors “Travis Fast” and MOB claim they are Peruvian Shining Path to add to the chameleon's issue, (A-124 to 134).

Petitioner Fast, a (Former?) and compromised severely injured<sup>1</sup> National Security Agency Aerospace Engineer, History is probably known to our Honorable Adam Schiff, United States House of Representatives Intelligence Committee Chairman, his predecessors and National Security Council Officers (A-124 to 133).

The record shows that the Petitioner was subjected to a trial by, well-known to this Supreme Court's Clerks, Federal Officers, and Petitioner, Glavnoe Razvedyvatel' noe Upravenie or G.R.U.—G.R.U. acting as Judge-Jurist “Janette Dunnigan” (A-104 to A-123: emphasis on A-107 to A-109: Docket Entries 7, 17, 23, 26, 28, 35-36, 41-44, 46-49, 98-99, 135, 139, 142, 150, 159-160, 165, 236, 405, 407) and her prostitution and terrorist drug organization cells and nests' members that include the probable Komitet Gosudarstvennoy Bezopagnost or K.G.B. - Mrs. “Darlene Rangoonanan”, (A-109: Docket Entry 12), claiming diplomatic immunity. Terrorist organization prosecution member previously mentioned and those not mentioned are Florida, Colorado, and Tennessee licenses law practitioners.

---

1 See to be admitted through this Clerk of the Court order to the United States District Court, Records Clerk, Tampa Division, Florida 28 U.S.C. § 2254 Case No. 8:22-cv-1474-MSS-AAS, “Motion for Reconsideration” and attachments to show Petitioner's factual competency claim. Because of the Corrections Dept.'s delay to issuing inmate trust fund checks for records replacements. *Bounds v. Smith*, 430 U.S. 817, 52 L. Ed. 72, 975 S. Ct. 1491 (1977).

The record shows evidence that State Attorney officers were and currently are providing the G.R.U. originals and copies of Petitioner's legal mailings, (A-110 to 122). The State Attorney office released to Petitioner on July 27, 2021 through due diligence, 921 pages of newly discovered censored actual innocence evidence legal mailings that were intended for numerous Petitioner's federal contacts, (A-111 to 122), precluding Petitioner from due process under Article III, Section 2, Clause 2; Article VI, Clause 2; 6<sup>th</sup> and 14th[1][3] United States Constitution Amendment Rights. *Wolff v. McDonnell*, 418 U.S. 539, 574-77, 945 S. Ct. 2963, 2983-85, 41 L. Ed. 2d 925, 935, 963 (1974).

The Florida Judicial Qualifications Commission, regarding petitioner's complaint, stated "... are not allegations involving a breach of the code of judicial conduct .. but are matters .. through the normal court process," (A-123), showing evidence of their adherence to the Soviet G.R.U. and thereby violate Fla. Stat. 876.01, 876.02, 876.21, 876.30; Article III, Section 2, Clause 2 and Amendment 14[3] United States Constitution causing structural jurisdiction error.

### **C) TIMELINESS ISSUE**

This petition is timely based on the Fla. R. Crim. P. 3.800(a) pleading that is pending in the Florida Second District Court of Appeal, (A-103).

Protected critical exculpatory Federal evidence will reveal substantiating murder and robbery actual innocence facts and that structural jurisdiction error occurred, that remains unheard in this case, (A-124 to A-134). This Court in its supervisory power must order a *Townsend Hearing v. Sain*, 372 U.S. 293, 83 S. Ct. 745, 9 L. Ed. 2d 770 (1963) in this Court or a United states District Court.

Soviet Russian G.R.U. and their terrorist cells and nests combined with State agents and State courts adherence to G.R.U. invoke Supreme Court or Untied States District Court exclusive original jurisdiction rights and timeliness under 28 U.S.C. § 1251(a)(2)(b)(1)(3), 18 U.S.C. § 2338; 50 U.S.C. § 1701, 50 U.S.C. § 3369(a)(1)(3)<sup>2</sup>; 28 U.S.C. § 1605A(b)(2).<sup>2</sup>

The State and State courts preemption of this Federal Case, (A-124 to 134) was initiated by the G.R.U.'s Deputy Secretary (of Intelligence) from his Russian embassy in Washington, D.C. and Miami, Florida consulate at dictator "Vlad" Putin , (Former K.G.B.), long-term retaliatory standing-orders against Petitioner due to comprimasations (leaks by Aldrich *Ames*, 532 U.S. 987 (2001), etc.).

The Soviet Russian Federation and subsidiary terrorist organization retaliations have been "persistent" and "pervasive" through their sporadic attacks against Petitioner with no specific start date, i.e. deleting and switching documents in legal mail filings, and smearing, spiting, nose blowing biological contaminate on sealed D.O.C. legal mail, and off-institution compound opened legal mailings; and, contaminated water ~~mailings~~ and kitchen foods that terrorists are accessing <sup>3</sup> ~~that~~ Julie Jones, former DOC Secretary, complained about "MOB" D.O.C. infection; See Mayo Correctional Institution shut-down and disease death rate at Union Correctional Institution. 28 U.S.C. § 1251(a)(2)(b)(1)(3); 50 U.S.C. § 1701, 50 U.S.C. § 3369(a)(1)(3); 28 U.S.C. § 1339; 28 U.S.C. § 1605A(b)(2).

#### **D) DILIGENCE TO NEWLY DISCOVERED EVIDENCE**

Petitioner's due diligence in presenting newly discovered evidence that was not available during the trial or until this present time is based on the prosecution's and lower court's

---

<sup>2</sup> Newly argued jurisdiction and timeliness caselaws.

<sup>3</sup> ... THE ...

continuous violations to access the Federal courts for compulsory process right to present relevant critical exculpatory actual innocence Federal witnesses' testimonies and evidence that are 50 U.S.C. § 3024(i) and Executive Orders 12333, 13526 as amended, protected records, (A-124 to A-133), that are non-downgradable to the State or to the State courts, (A-40). *Washington v. Texas*, 388 U.S. 14 (1967); *Bounds*, supra.

### CONCLUSION

**WHEREFORE**, Petitioner prays this Honorable Supreme Court will grant the writ of certiorari and order a *Townsend Hearing* in a United States Court or remand for new trial in a proper United States District Court, or for Congressional case review if Congress so decides, to vacate or reverse the convictions or find this structurally jurisdicited erred case is null and void.

Respectfully submitted on this 9th day of FEBRUARY, 2023.
