

CERTIFICATE OF COMPLIANCE

No. 21M120

Alejandro Evaristo Perez,

Pro Se Petitioner

v.

LinkedIn Corporation,

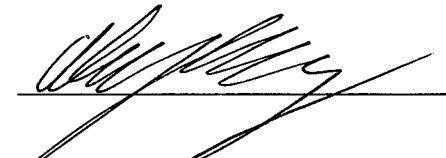

Responder

As required by Supreme Court Rule 33.1(h), I certify that the petition for a writ of certiorari contains around 4,904 words in MS WORD 2013, excluding the parts of the petition that are exempted by Supreme Court Rule 33.1(d). Pro Se Party assumes this certificate suffices as this declaration in compliance with 28 U. S. C. § 1746 and meets a notarized affidavit alternative.

I declare under penalty of perjury that the foregoing is true and correct as a Pro Se Party, who is deeply upset that Rule 40 was violated multiple times and by the unnecessary illegal ruses from both the Responder and the Fallen Judges.

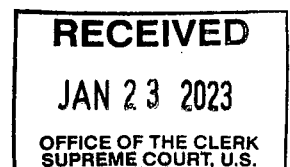

Executed on 18 JAN, 20 23

God bless America,

Alejandro Evaristo Perez
