QUESTION(S) PRESENTED

1. 9th Cir. filed on 12-30-22 denying a motion for en banc without an explanation which denied Kulick's right to due process which in turn negates 9th Cir. filed on 8-19-22, since it had jurisdiction because the order challenged in the appeal was final or appealable & Kulick's USDC, Case # 2:21-cv-05548-DMG-PVV, Complaint filed on 7-6-21, & its proof of service was judicially executed, thus that Complaint in its entirety has merit & be granted by U.S. Supreme Court without any further Remand to/USDC court hearing(s)?
2. Based upon above item #1, A contract like BofA was unconstitutional, since it denies Kulick fairness/equality/no ability for redress or access to any banking transactions-being a universal banking contract & it's impossible for an attorney at law to advise Kulick not to sign such a contract-Kulick signed that contract without an attorney at law-review of that contract-doing under duress for that "access"?
3. Based upon above item #s 1./2., it's unconstitutional that Kulick's Pro Per status be on the same level of an attorney at law in ability, which constitutes a discrimination by any court against Kulick's "ability" to comply with any federal rules as it related to procedures whether civil or otherwise & any so-called failures whether to effectuate service &/or lack of prosecution could not be applicable under those foregoing/discriminatory?/prevailing/factual circumstances? Any dismissal : not proper in the/
4. Bases upon above item #s 1./2./3., it was a violation of Kulick's rights under American With Disabilities Act of 1990 by Defendant(s) since they knew Kulick was a disabled, physically person for many years as it applies to the ADA of 1990 while his/transacting bankings at the BofA business facilities. a well documented fact?

INTER- RELATED CASES

Please note: After Cival Cover Sheet dated 6-22-21 for submission, the following case #s 21-55727 was submitted in petition for a writ of certiorari but was rt'd by Scott S. Harris, Clerk By Lisa Nesbitt, because this matter still pending in USCA-9 which Kulick disagreed, however Kulick's last Form 27. Motion for Panel Rehearing dated 10-25-22 for that case # was submitted, since prior that case's Memorandum, filed 10-18-22, "We affirm...USDC dismissal for failure to prosecute" & to this date no USCA-9 decision has be made yet of Motion for Panel Rehearing-making this case in limbo: Also, this Inter-Related Cases-matters are extremely critical to Kulick, because each one provides , especially judicial info*since Kulick has no computer nor knows how to use one for this "info" in Kulick's Pro Per status in other court filed cases & being under ADA of 1990/lifelong Dyslexia condition that caused not finishing schooling, school finished Kulick-forced to be self-taught & USDC, Case#2:22-cv-06742-MEMF-AS filed 9-20-22 now USCA-9, Case#22-56092 with extend time to file Brief-opening due 2-22-23, a extreme struggle due to Kulick's # of a lot of medical hardship-this case in particular gives anyone Kulick's basis for engaging in litigation(s) a mine field of uncertaintys with unintended consequence of the direst portions!!! Kulick in a life/death probable-according to Kaiser of Stroke due to hi-bllod pressure & Suddne Cardiac Death due to two heart blockages & third will cause "death, because can not be medically treated to survive/Kulick on pain scale of 1 to 10, has a level 8-mostly AM daily & worsened moving forward, Kulick's good family name has been unjust damaged in case(s) like above "#06742", Kulick will do everything in Kulick's power to redress that "unjust damaged" before Kulick goes to his already paid for grave!!! If, other(s) will somehow benefit from reading these public records-that's a really good thing!!!

CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

1. Violation of Sarbanes-Oxley Act of 2002 & 28 U.S.C. Section 1331 (federal question) & Sherman Anti-Trust Act & 2010 Dodd-Rank Act including its Volcker Rule & Americans With Disabilities Act Of 1990 including any Discrimination & Freedom of Speech & Censorship & CivillRights since being inter-related with applicable laws wherever presently residing in this "inter-related" connection.
2. Based upon above item #1, "applicable laws" are designated in the U.S. Constitution under Aricles (1), (V11), (V111), (1X), (X1V Section 1.) & as designenated in its parent the Declaration Of Independence & subsequent Charter Of United Natmons, & FTC & SEC & Federal Reserve System, Inc. & Common Law & cfpb & OCC

STATEMENT OF THE CASE

1. Enclosed are exhibit(s) taken from Complaint with their exhibit #s & #(s) of page. Which best provides this "Statement Of The case.
2. Enclosed copy of 10-9-20 fax to Moynihan, et al. & Kraninger & 10-15-20 fax to Moynihan, et al. & 10-14-20 fax to Villagra & 3-17-21 fax to Singer & 10-14-20 letter from BofA-2 pages & 4-3-75 BofA letter with copy of \$15,000.00 withdrawal in Ref: copy of page 5 in Complaint's "IV Statement OF Facts" & 3-5-82 Crocker letter & 10-14-20 Becerra fax & CA DMV Disabled Placards issued 4-4-19/4-7-21 & VCTC-ADA Card expires 12-31-22 & 8-30-18 letter by Lieb MD & Lieb's 2-1-19 letter & 10-13-17 letter by Ney MD & Ney's two Rxs of 9-23-10 & 4-27-73 letter to Bush & 5-31-73 letter from RNFC & White House mailing envelope with "wishes" from President Ford & Mrs. Ford. & 3-5-00 Kerrry (former Gov. NE/current U.S. Senator NE) letter-note.
3. Not in this Complaint, enclosed copy of 7-15-10 fax to George, which today relates to above item #2., because the very heart/soul of our Consitution, needs its citizens to have faith, trust & confidence, that are not just words on paper. Which also applies to our three branches of government in the foregoing.
4. U.S. Treasury now mails Kulick's Social Security/VA Compensation-checks directly to his P.O., because of his medical hardships, if another Bank closes his deposit account(s) "without cause". A result of unequal/unfair banking's unconstitutional "terms/conditions"-reality. Giving them caught/bank(s) a shield against/engaging in fraudulent practices-at their will. Take a tax deduction as legal expense to defend. Jamie Dimon, ^{J.P. MORGAN} Chase Manhattan BK, closed Kulick's deposit accounts, falsely alleges he engaged as a risk for fraud to cover his real reason that Kulick did not give him enough business. Which Kulick complained to gov't regulators to no avail. The likes of Moynihan/Dimon do not pay for their fraudulent practices but their shareholders do -irony!!!

REASONS FOR GRANTING THE PETITION

1. The contract is unconstitutional, since it denies equality & fairness as it relates to Articles (1), (V11), (V111), (1X), (X1V Section 1.) & as designated in its parent the Declaration of Independence & subsequent as signor of the Charter of United Nations. As well as this relates to the FTC, SEC, Federal Reserve System, Inc., OCC & Common Law. If, "without cause" not included in this contract, Kulick would not object as he does for the greater good of all depositors. After all, without "equality & fairness", how is it possible to have faith, trust & confidence in our banking system!!!! This is a functional as common sense matter(s) which has not been disputed until now. If, the Court permits "without cause", then no one would be able to hold BofA accountable & responsible for its fraudulent practices. That undermines the entire banking system, & in turn destroys a cornerstone of our unique American way of life, which has been a "beacon" for millions, who flock to our shores for a better life!!! The entire financial system would be at risk, the fiber that binds our nation as a continuing reality of worthiness & meaning!!!
2. An abundance of evidence in support-that the Defendant(s) did in deed-grossly violated Kulick's rights under the ADA of 1990. If, this Court turns it back in the foregoing, then this statute has no bearing or significance, an unconscionable action to be a reality!!!
3. If, this Court denies a hearing in the above, then God save us all!!! Besides, dismissal by D.C. w/o filing of Magistrate's findings-factor. This is the Court's opportunity now to do the right thing in the above.

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

R.J. Kulick  Petitioner in Pro Per
