FILED

UNITED STATES COURT OF APPEALS

FOR THE NINTH CIRCUIT

JAN 26 2023

MOLLY C. DWYER, CLERK
U.S. COURT OF APPEALS

ANTHONY CARL ECCARIUS,

Petitioner-Appellant,

v.

MENDOCINO COUNTY SOCIAL
SERVICES,

Respondent-Appellee.

No. 23-15002

D.C. No. 4:22-cv-05417-HSG
Northern District of California,
Oakland

ORDER

Before: WARDLAW, CLIFTON, and SANCHEZ, Circuit Judges.

A review of the record demonstrates that this court lacks jurisdiction over this appeal because the January 2, 2023 notice of appeal was not filed within 30 days after the district court's judgment entered on October 13, 2022. *See* 28 U.S.C. § 2107(a); *United States v. Sadler*, 480 F.3d 932, 937 (9th Cir. 2007) (requirement of timely notice of appeal is jurisdictional). Consequently, this appeal is dismissed for lack of jurisdiction.

DISMISSED.

Respondents.

Case No. 22-cv-05417-HSG

**ORDER OF DISMISSAL; DENYING
CERTIFICATE OF APPEALABILITY**

13 Petitioner Anthony Carl Eccarius has filed this *pro se* action seeking a writ of habeas
14 corpus pursuant to 28 U.S.C. § 2241. Petitioner has paid the filing fee. Dkt. No. 1. For the
15 reasons set forth below, this petition for a writ of habeas corpus is DISMISSED and a certificate
16 of appealability is DENIED.

17 **DISCUSSION**

18 **I. Petition**

19 The petition names as respondents Mendocino County Social Services, the National Labor
20 Relations Board, the California Department of Fair Employment and Housing, and the Equal
21 Employment Opportunity Commission. Dkt. No. 1 at 1, 6-7. Petitioner alleges that Respondents
22 violated original jurisdiction, 42 U.S.C. § 1983, and the Americans with Disabilities Act of 1990;
23 discriminated against him with respect to CFRA/FMLA-protected leave; and retaliated against
24 him. Dkt. No. 1 at 2. The petition alleges the following legal claims: (1) Respondents lacked
25 “original jurisdiction in deciding [Petitioner’s] 10th Amendment U.S. Constitutional appeal for
26 releif (sic) and application of his rights;” (2) Respondents “obstructed Petitioner’s due process and
27 path to justice” by conducting investigations and reviews with bias and in poor faith;
28 (3) Respondents “obstructed [Petitioner’s] status and claim of having a mental disability, did not

offer adequate accommodation for said disability upon request, and retaliated against [Plaintiff] for his grievance, complaints, and appeals;” and (4) Respondents lack “necessary and sufficient authority to decide the merits of [Plaintiff’s] Weingarten claim and appeal given that [Petitioner’s] 10th Amendment U.S. Constitution appeal is unprecedeted in nature and warrants Court review.”

Dkt. No. 1 at 6-7. Petitioner requests the following relief:

[Petitioner] requests this Court “consider a higher jurisdiction and authority to sufficiently and accurately address his greivance (sic), complaints, concerns, and appeal such that original jurisdiction exists wherein named parties are not acting with inherant (sic) prejudice and bias toward [Petitioner’s] appeal and enumerated rights. [Petitioner] also requests this Court exercise its authority to grant him compensation for lost wages and lasting harm caused when his rights were mishandled. Lastly, [Petitioner] requests Demand for Jury Trial.

Dkt. No. 1 at 7.

II. Standard of Review

28 U.S.C. § 2241(c)(3) provides that a federal district court may entertain a petition for a writ of habeas corpus from a petitioner who is in custody in violation of the Constitution or laws or treaties of the United States. 28 U.S.C. § 2241(c). A district court considering an application for writ of habeas corpus shall “award the writ or issue an order directing the respondent to show cause why the writ should not be granted, unless it appears from the application that the applicant or person detained is not entitled thereto.” 28 U.S.C. § 2243.

III. Dismissal

This petition is DISMISSED for lack of federal habeas jurisdiction because Petitioner is not in custody. The federal writ of habeas corpus is only available to persons “in custody” at the time the petition is filed. *See* 28 U.S.C. §§ 2241(c); *see also* *Maleng v. Cook*, 490 U.S. 488, 490-91 (1989) (“The federal habeas statute gives the United States district courts jurisdiction to entertain petitions for habeas relief only from persons who are “*in custody* in violation of the Constitution or laws or treaties of the United States.”) (citing to 28 U.S.C. § 2241(c)(3), emphasis in original). The custody requirement is jurisdictional. *Carafas v. LaVallee*, 391 U.S. 234, 238 (1968). Petitioner is not in the custody of the United States (or the state of California). This petition is therefore DISMISSED for lack of jurisdiction.

It appears that Petitioner may be seeking to bring a civil rights complaint pursuant to 42

1 U.S.C. § 1983. Dkt. No. 1 at 2. The Clerk is directed to send Petitioner two copies of the Court's
2 civil rights complaint form.

3 **CERTIFICATE OF APPEALABILITY**

4 The Court concludes that no "jurists of reason would find it debatable whether the petition
5 states a valid claim of the denial of a constitutional right [or] that jurists of reason would find it
6 debatable whether the district court was correct in its procedural ruling." *Slack v. McDaniel*, 529
7 U.S. 473, 484 (2000). Accordingly, a certificate of appealability is DENIED.

8 **CONCLUSION**

9 For the reasons set forth above, the petition for writ of habeas corpus is DISMISSED for
10 lack of federal habeas jurisdiction and a certificate of appealability is DENIED. The Clerk is
11 directed to send Petitioner two copies of the Court's civil rights complaint form.

12 **IT IS SO ORDERED.**

13 Dated: 10/13/2022

14 
15 HAYWOOD S. GILLIAM, JR.
16 United States District Judge

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ANTHONY CARL ECCARIUS,
Petitioner,

V.

MENDOCINO COUNTY SOCIAL
SERVICES, et al.

Case No. 22-cv-05417-HSG

For the reasons set forth in the Court's Order of Dismissal, Denying Certificate of Appealability, this petition is DISMISSED for lack of jurisdiction and a certificate of appealability is DENIED. The Clerk shall enter judgment in favor of Respondents and against Petitioner, and close the case.

IT IS SO ORDERED AND ADJUDGED.
