## STATEMENT OF THE BASIS for the JURISDICTION

The Judgment of the US Court of Appeals for the Third Circuit was entered February 9, 2023 denying Appellant's Motion to file an amended Petition for rehearing en Banc and failed to state that the denial was in compliance with the submitted reasons pursuant to FRCP 59(a) (B) (2) FRCP 60 (a) (b) (1) (3) (d) (3). Plaintiff filed Requested Leave of the Court to file a supplemental Brief in support of damages sustained by the Defendants Borough of Allendale for failure to allow Petitioner to comply with the Fair Housing Act of 1968. As the Borough is presently constructing affordable Units under threat of this Court finding of Facts and conclusion at Law.

Therefore Petitioners case was denied without an en Banc decision based upon submission of 01-27-2023 in violation of Federal Rules and Laws.

# CONCISE STATEMENT OF THE CASE

Appellant purchased 316 E. Allendale Ave for the purpose to renovate sub-divide and construct affordable housing as per the Fair Housing Act of 1968. The Judgment of the US Court Third Circuit Judge Cecchi denied Appellant basic Constitutional Rights under Due Process and Equal Protection and violation of Rico Predicates which Judge Cecchi did not make any supporting or beneficial finding in favor of the Petitioner. The Petitioners property taxes were doubled due to non compliance of a bribe of \$50,000.00 cash for a single house to be added to the above referenced property. Upon refusal Petitioner filed for affordable housing builders remedy, and was denied by Judge Cecchi and the US District Court 3rd Circuit and the Appellate Division. Plaintiff found 70 sub-bank accounts in the borough's financial records and \$43 million in surplus from over taxing residents for the Cost to operate the Borough. Petitioner submitted 3 outside Financial Expert reports proving malfeasance and none of the lower courts found guilt or violations of Rico Predicates under Section 2 Title 18 US Code. The Courts were Notified of the SEC involvement wherein the Borough Attorney David Bole was terminated for signing false Budget reports to give "COVER" to the surplus funds. The SEC

terminated the CFO Paula Favata and the Chief of Police Robert Herndon for theft of Municipal Funds. Plaintiff was denied the return of the surplus taxation and the violation of not returning Petitioners property Sniadach v Family Finance Corp 395 U.S. 337 (1960) and Judge Cecchi failed to enforce N.J.S.A. 54:4-1 Franklin Bank v Parker 136 NJ Super 476, 346 A 2d 1973 and denial of complying with affordable Housing Act of 1968

The Judgment of the US Court of Appeals for the Third Circuit was entered February 9, 2023 denying Appellants Motion to file an amended petition. Petitioner is denied Punitive damages of \$30 million and actual damages of Builder Remedy for the Affordable Housing units and for failure of the Respondents Borough of Allendale and the Passaic River Coalition denying Petitioner from the 34 fully approved building lots at Heather Court and Yoemans Lane Under Superior Court Judgment Ber-L- 8660-10

of \$ 5,928,680.00 and 4.3acres owed by Respondent John Albohm

## THE REASONS RELIED ON FOR THE ALLOWANCE OF THE WRIT

**RULE 10.** The following, although neither controlling nor fully measuring the Court's discretion, indicate the character of the reasons the Court considers:

*(c) a state Court or a United States Court of appeals has decided an important question of federal law that has not been, but should be settled by this Court.*

*United States District Court Newark failed to protect Petitioners Constitutional Right of Due Process and Equal Protection by allowing the Borough of Allendale to double Petitioners Real Property Tax and no other property had their property tax doubled in the Borough of Allendale NJ 07401.*

*The United States District Court Judge failed to grant equal Protection when the Borough accumulated surplus taxes and invested \$43 million dollars took the interest and distributed the interest among the member of the Governing Party and other Boards in the Borough. The District Court Judge denied Petitioner Equal Protection by not finding a violation of the Rico Predicates of Money Laundering and failure to pay income taxes to the Federal Government for the interest earned on the global investments of the surplus taxes of petitioners real property taxes, and Mail Fraud when they placed a stamp on the tax bills and Wire Fraud by moving money from one bank account to another.*

*The US District Court Judge Cecchi failed to grant equal protection when the Respondent Borough of Allendale failed to protect petitioner to regain the Petitioners stolen funds by Frank Swarth who stole \$1 million dollars from the respondent Borough of Allendale Water Dept.*

*The US District Court Judge Cecchi failed to grant Petitioner to Amend the Complaint against the Emigrant Savings Bank which stole Petitioners escrow funds placed them in an interest bearing account and refused to give petitioner the earned interest or any part thereof.*

*The Banks Attorney and Respondent Richard Epstein bribed the Bergen County Sheriffs Dept. to not give Notice to Petitioner of the Final Sheriff's Sale, Epstein gave \$13,000.00 and then gave an additional \$47,000.00 to give the bank a Sheriff's Deed. when the Bank had no signed contract and the bank had no license to lend money in the state of New Jersey and there was no eviction clause in the contract. Mr. Epstein closed his Law Office and moved to South Carolina.*

*The US District Court Judge failed to abide by the FINDING OF the SEC wherein the SEC closed the Borough's financial Office and terminated the Borough Attorney for signing off on the Annual Budget Report to give "COVER" to the over appropriated real estate taxes and Terminated the CFO and the Chief of Police and 15 other Employees.*
