Any form(s) to achieve the foregoing factual prevailing circumstance(e), must not be denied him by this or any Rules Supreme Court, et al!!! Such as the "forms" that he uses in this entire case matter!!! He can not be denied "due process law" by this Supreme Court, which embraces everything cited in this case by him to this "court"!!! Nor, can the Justices of this "Court" betray their "oath" to the Constitution & Bill of Rights & their parent the Declaration of Independence, otherwise the Rule of Law & our judicial system does not exist & mere words on paper that are meaningless!!! Foregoing-makes any filing date-this case-irrelevant!!!
