QUESTION(S) PRESENTED

Petitioner:

I ask to be release under the case Law of Prima Facie case's and to be compensated for the amount of eleven Million as I pray for Relief of this life threatening disease stage II Chronic Renal Failure. But I am willing to amend this accounts through an Litigation Lawyer. Why they denial an ongoing Medical situation diagnosed by an Physician of California prison System. In fact state of California Department of Correction and Rehabilitation liaison is liable for my condition LANDON BIRD, Warden at D.V.I; A.B.T. Once again my freedom and compensation I would say is not the first time the court's behavior, act of bias conduct, Racism, and leading in favor, and bribery in fact I caught them with there shoe on the wrong feet Now they can not add other to my case for a class action so since things look so complex and what they don't understand they can't untangle or helping a Robber escape whom is guilty of a complicity in a corrupt officials injustice. NO Respect for a deadly disease also a human being life They should have put up a caution sign Toxic Water Do Not DRINK. My freedom - Compensated as I pray for relief
