*Re: Charles G. Moore, et ux. v. United States, No. 22-800*

I represent petitioners in the above-captioned case. To accommodate the schedules of counsel, I am writing on behalf of all parties to respectfully request an extension of time for the merits briefs in this case, as follows:

Petitioners' Brief: August 30, 2023

Respondent's Brief: October 16, 2023

All parties have agreed to this proposed schedule, which would allow the Court to hold argument in the December 2023 sitting. Under Rule 25.3, Petitioner's reply brief then would be due November 15, 2023.

Petitioners are separately filing an unopposed motion for leave to dispense with preparation of the joint appendix. If the Court does not grant that motion, the parties respectfully request that the Court set a deadline of August 30, 2023, for the joint appendix.
