Re: *BG Gulf Coast LNG, L.L.C. v. Sabine-Neches Navigation District of Jefferson County, Texas*, No. 22-805

Dear Mr. Harris:

The petition for a writ of certiorari in the above-captioned matter was filed on February 22, 2023 and placed on the docket on February 24. The response to the petition is currently due on March 27, 2023.

Respondent respectfully requests, under Rule 30.4 of the rules of this Court, an extension of time of 30 days, to and including April 26, 2023, within which to file a response. The petition presents issues involving the Water Resources Development Act of 1986. Given the press of other business, including numerous intervening deadlines in other matters, and the nature of the issues in this case, the requested extension is necessary to afford Respondent sufficient time to coordinate and prepare its brief in opposition in this matter. I am authorized to represent that Petitioners consent to this extension.

Sincerely,

*/s/ Jeremy C. Marwell*
