PETITIONER HUMBLY REQUESTS MOTION FOR EXTENSION
TO FILE PETITION FOR WRIT OF CERTIORARI FOR GOOD CAUSE

I, Andrea Liebman, Hereby Formally files Petitioner Humbly Requests
Motion For Extension To File Petition For Writ Of Certiorari For Good Cause.

I have begun writing up my Petition For Writ of Certiorari. My husband,
Dr. Jay Liebman D.C. and I are working together to produce a Petition that will

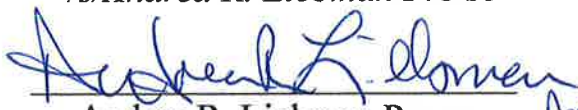

merit review by Your Honorable Supreme Court Justices. Dr. Jay is blind in his right eye and will be 74 in June. I am 72. We need more time to thoroughly complete the Writ. The last couple of months have been riddled with tasks, responsibilities and physical recuperation. I was involved in a car accident on 3-11-22. Dr. Jay is a Chiropractor and am a Naturopathic Physician. We know that we need to complete the Writ while maintaining a healthy balance in our lives. Nutrition, rest and psychological positivity are mandatory, so we do not harm ourselves physically from such a demanding task. The key is to keep our immune systems functioning at a high level.

Honorable Justices of the U.S. Supreme Court, I, Andrea R. Liebman Pro se, humbly ask for an additional 60 days. The 90 days from 3-1-22 brings us to 5-30-22. Upon looking at the Calendar, I believe the 60th day falls on 7-30-22, a Saturday. THEREFORE, Petitioner asks that U.S. Supreme Court GRANT an Extension through Monday 8-1-22 the 1st business day of the month.
