ON PETITION FOR WRIT OF CERTIORARI TO

11TH CIRCUIT COURT OF APPEALS

MOTION TO FILE IN FORMA PAUPERIS RULE 39

Petitioner, Andrea R. Liebman, hereby files her Motion To File Informa Pauperis, regarding my Motion For Rehearing On Merits. A Clerk of Court to the U.S. Supreme Court suggested that I file this Motion To File In Forma Pauperis due to the immensity of the attached Appendix of approx. 500 pages. The Appendix is abundant with Documentation due for the fact that my U.S. Bankruptcy Case # 13372-AJC started/filed in the Southern District of Florida on 2-25-15. As of 6-21-23 it is going on 8 years and 4 months. I prepared my corrected Petition For Writ of Certiorari several times at my own expense, eventually consisting of approx. 120 Booklets, containing the Petition For Writ of Certiorari & attached Appendix (included only the Lower Court Appellate Decisions as directed). However, no other Documentation from U.S. Bankruptcy Court Southern District of Florida was attached. At the time, I was thinking I would have an opportunity to do so when the Appellees/Respondents replied. The Appellees chose not to Respond.

Once my Petition For Writ of Certiorari was Denied on 5-1-23, I concluded that I had to file a *Motion For Rehearing On Merits* attached with the Supporting Documentation from my abundant-significant supporting record. My case is of

Great Importance to shore up the Roman Catholic Per Curiam Decision made on 2-20-20 *Archdiocese V. Acevedo* and to Prevent Injustice to potentially millions of Bankruptcy filers, as well as myself & my husband. Your Honorable Justices made this Decision to Clarify how *Nunc Pro Tunc* cannot rewrite history and that is exactly what the U.S. Bankruptcy Court did, sanctioned by a U.S. District Court Judge, U.S. Court of Appeal Judges and En banc Panel, as stated in my Petition, Your Honors must stand behind Your Per Curiam Decision otherwise it is a narrow Decision only pertaining to the Roman Catholic Church of Puerto Rico. Hence, I am adding the supporting Documentation that Supports the GRANTING of my Motion For Rehearing On Merits to prevent a grave Injustice.

The Bottom Line is now the cost of producing the *Motion For Rehearing On Merits* is no doubt a tremendous \$\$\$\$ financial hardship on myself at 73 yrs. of age and my husband of 75 yrs. of age, as well as the fact that there not enough time left to produce approx.. 800 Booklets(40x20), etc. to file this Motion. Hence, upon the recommendation by a U.S. Supreme Court Clerk that when I *Proceed In Forma Pauperis* there will be no prejudice applied against me, creating a conflict or negate my Motion For Rehearing On The Merits. On that basis, I am seeking Justice from all the U.S. Supreme Court Justices. I, Andrea R. Liebman, Petitioner (*Pro se*), THEREFORE, make my *Motion To Proceed In Forma Pauperis*.

DECLARATION IN COMPLIANCE WITH 28 U.S.C. § 1746

This Motion For Informa Pauperis has not been sought in any other Court. This Motion For In Forma Pauperis is being sought for the purpose of filing a document, the motion and a required declaration.
