Re: *Evans Creek, LLC v. City of Reno*; Case No. 22-872

Dear Mr. Harris:

I am counsel of record for the City of Reno in the above-referenced case. Petitioner Evans Creek, LLC filed a Petition for Writ of Certiorari on March 9, 2023, which was placed on the docket on March 13, 2023. Pursuant to Rule 15.3 of the Rules of the Supreme Court of the United States, the City's response to the Petition is due on April 12, 2023. Pursuant to Rule 30.4, Respondent respectfully requests that the time for filing a response be extended by fourteen days, to and including April 26, 2023.

This is Respondent's first request for an extension of time to file a response. Good cause exists for the requested extension. I am the primary attorney working on this case. I have a previously scheduled two-week family vacation out of the country that falls during the time to prepare the response brief. An extension of time would better enable me to prepare a response that would be most helpful to the Court.

Accordingly, the City of Reno respectfully requests that the time for filing a response to the petition for writ of certiorari be extended by fourteen days, to and including April 26, 2023. Counsel for Petitioner has informed me by email that he has no objection to the City's request for a fourteen-day extension of time.

Sincerely,

A handwritten signature in blue ink that reads "Jasmine K. Mehta".
