Re: Nike, Inc. v. adidas AG, et al.; Case No. 22-927

Dear Mr. Harris:

I represent adidas AG in the above case and am responding to your letter dated April 18, 2023. I spoke yesterday with your office concerning your letter inviting adidas AG to file a response to Nike, Inc.'s petition for a writ of certiorari. As I explained to your colleague, adidas AG no longer has any interest in this matter due to certain resolutions of litigation with Petitioner. As any response adidas filed would simply state as much, I was advised to simply provide this letter to your office in lieu of the response you requested.

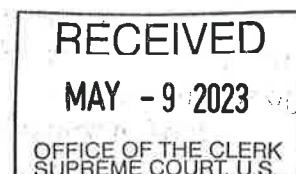

Please let me know if you have any questions.

Sincerely,

Mitchell G. Stockwell
