RE: Naftalovich v. California, et al. — No. 22-5276

To the Honorable Clerk at the U.S. Supreme Court:

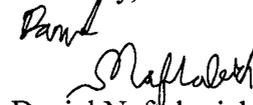

Thank you for filing my petition for writ of certiorari in case No. 22-5276, and the motion to proceed *in forma pauperis* that accompanied it, and the Application to stay the execution of the restraining order issued by the California Superior Court in No. 21PDRO01160 that I had directed to the Honorable Elena Kagan, Circuit Justice for the Ninth Federal Circuit. I have understood from the docket website that the Honorable Justice Kagan denied the application.

Via this letter I seek to renew the application, as per Rule 22.4 of the Rules of this Court, and direct it to the Honorable John G. Roberts, Jr., Chief Justice of the United States.

Enclosed are 10 copies of the original application and of the original proof of service.

Thank you for your help in renewing this Application and supporting its prompt arrival to the Chief Justice for consideration in this time-sensitive matter.

Sincerely,

Daniel Naftalovich
Petitioner, *pro se*
