SUPREME COURT OF THE UNITED STATES

Irving F. Rounds Jr.,

Petitioner,

vs.

CHARLIE BAKER, GOVERNOR ET AL.,

Respondents.

PETITIONER'S MOTION FOR APPLICATION OF EMERGENCY ORDER TO CHIEF JUSTICE ROBERTS

IRVING F. ROUNDS, JR.
Petitioner (Pro Se)

Email: roundsmechanical5@protonmail.com

The Petitioner files this APPLICATION for the following reasons:

1.) As outlined in the Petition of Writ of Certiorari, the attached letter to Chief Justice Roberts and the attached exhibits and video, the Petitioner has been under constant threat along with the Petitioner's family, friends, neighbors, the students and faculty members of Bay Path Regional Vocational Technical High School located in Charlton Massachusetts and the public as a whole by individuals going by the name's of Richard Ciruolo, John Coughlin and John Klesaris (agents of the U.S. Department of Justice);

2.) As further outlined in the Petition of Writ of Certiorari and the attached exhibits, the Petitioner has been seeking relief in the Federal Courts as well as the Massachusetts Superior Court to acquire Richard Ciruolo's, John Coughlin's and John Klesaris's personal information and filed multiple injunctions in those Courts (see attached copies). I do so in order to file a request for a restraining order so that these individuals might surrender their firearms and have their licenses to carry a firearm revoked;

3.) Also as outlined in the Petition of Writ of Certiorari and the attached exhibits, the Petitioner and his dogs were intentionally threatened by Mr. Ciruolo while driving his automobile on July 24, 2020. The Petitioner subsequently filed a police complaint with the Commonwealth of Massachusetts Police Department and Town of Clinton, Massachusetts Police Department; both agencies failed to investigate this matter because this individual is presumed to work for the Department of Justice (DOJ);

RECEIVED
MAY 24 2023
OFFICE OF THE CLERK
SUPREME COURT, U.S.

4.) The Petitioner has noted in his Complaints and Motions for Equitable Relief with the Massachusetts Superior Court, Massachusetts Appeals Court and Massachusetts Supreme Judicial Court that Mr. Ciruolo, Mr. Coughlin and Mr. Klesaris were presumably involved as one of five managers with the staged car crash on March 5, 2015 of the Petitioner's ex-wife (see attached exhibits);

5.) The Petitioner has noted in his Complaints and Motions for Equitable Relief in the U.S. District Courts, U.S. First Circuit Court of Appeals and the Supreme Court of the United States that Mr. Ciruolo, Mr. Coughlin and Mr. Klesaris are presumably involved as three of the five managers with the staged car crash on March 5, 2015 of the Petitioner's ex-wife (see attached exhibits). The reason why these individuals keep threatening and harassing the Petitioner is because they could be facing criminal charges for their crimes against the Petitioner and the DOJ continues to allow them to, because of how damaging this potentially could be. I'm in the process of writing a book "MANIPULATED SYSTEMS, A WHISTLEBLOWERS STORY BY IRV ROUNDS";

6.) Ciruolo has been threatening the Petitioner for over the last 10 plus years and has twice used a motor vehicle as a weapon against the Petitioner. On January 22, 2021, alias name John Coughlin who pointed what appeared to be a pocket pistol at the Petitioner and was going to discharge it until something startled him and has been threatening the Petitioner for over the last 10 plus years. On Wednesday March 15, 2023, one of the individuals (alias John T Klesaris) that has been threatening the Plaintiff-Appellant for last 10 plus years, followed the Petitioner to Anytime Fitness Southbridge. He then tried to cause a confrontation that would lead to an altercation (see attached exhibit of the video of the incident) to give him and his accomplices (that were inside the gym at the same time of the incident) grounds and justification to discharge their firearms at the Petitioner and has been threatening the Petitioner for the last 10 plus years. These named individuals have threatening the Petitioner over the phone at school where he works. On May 8th, 2023, at Anytime Fitness Auburn, MA John Klesaris followed the Petitioner into the gym and followed him around and on May 9th, 2023, Mr. Klesaris walked up to the Petitioner's car and threatened him and it appeared that he was going to reach into his pocket and then he got in his car and sped away;

7.) The Department of Justice (DOJ) in October 2020 was involved in a high profile frame-up (setup) of individuals arrested and entrapped in Michigan by the DOJ and Michigan Law Enforcement to use as pretense, pretext and grounds as justification to falsely arrest the Petitioner and harm the Petitioner in the process. The named Respondent's (Healey and Baker) allowed a Massachusetts Law-enforcement Confidential Informant (CI) to stage an event on October 7, 2020, as part of DOJ's plan to falsely arrest the Petitioner. The reason why the DOJ did not follow through with it, was that the one of the Petitioner's Attorneys has a source (whistleblower) in the Boston FBI Field Office and the Petitioner's Attorney instructed the Petitioner to talk about the DOJ's plans openly over his cellular phone (the DOJ has the Petitioner's cell phone number tapped) with friends and family to discourage the DOJ of their plan;

8.) For all of the reasons noted above, the Petitioner seeks an APPLICATION for Emergency Order with Chief Justice Roberts so that the Petitioner may seek emergency, equitable relief to wit: that Mr. Ciruolo, Mr. Coughlin and Mr. Klesaris be restrained from interfering in the livelihood of the Petitioner and those with whom the Petitioner may come in contact. Along with that the DOJ cease threatening and harassing the Petitioner. This is clearly a public safety matter that SCOTUS has the jurisdiction to resolve. Furthermore, it involves individual freedom declared under the Declaration of Independence: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

9.) The Petitioner requests Chief Justice Roberts Order the DOJ and its managers Robert

Ciruolo, John Coughlin and John Klesaris to cease threatening and harassing the Petitioner in the many different forms (as outlined in the attached copies of the injunctions filed) and release the public records that the Petitioner has been seeking;

10.) If the Petitioner is not granted equitable relief from SCOTUS, the Petitioner will then go public with all his legal efforts to have all the different Courts involved over the last eight plus years to "not" intervene and stop this threatening and harassing abuse levied by the DOJ against the Petitioner, his family, friends and the public as a whole.

For all the reasons stated above, the Petitioner makes this request in accordance with Rules 22 and 33.2 of the U.S. Supreme Courts Rules of Civil Procedure. Proof of Service has been provided in accordance with Rule 29 of same.

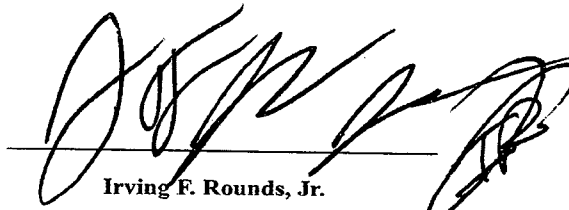

Respectfully submitted,

Irving F. Rounds, Jr.

No. 22-1109

SUPREME COURT OF THE UNITED STATES

Irving F. Rounds Jr.,

Petitioner,

vs.

CHARLIE BAKER, GOVERNOR ET AL.,

Respondents.

Dear Chief Justice Roberts,

Again, I reach out to you and your court to stop irreparable harm to myself and stop these named individuals and the DOJ to stop threatening me and the public in the process. In Americas history and the evolution of the rule of law there has been a few instances of where the Republic has faced a constitutional crisis. The most notable instance was the Watergate scandal. In that scandal President Richard M. Nixon had used burglars and over 40 of his top Nixon administration officials to not only be directly involved in bugging of the Democratic National Committee Watergate building but also other illegal activities. President Nixon also used the Federal Bureau of Investigation, the Central Intelligence Agency and the Internal Revenue Service as political weapons.

The background of this case is that I blew the whistle on a company formerly owned by David and Charles Koch (AKA the Koch brothers). It then snowballed and morphed (figuratively speaking) into this very serious legal issue, because of how severely the Department of Justice (DOJ) and the Koch brothers through their agents have broken the law against me. There has been the legal question of whether justice outweighs the civil liberties of an individual. The definition of Lady Justice and the scale of justice is "Lady Justice's sword shows authority, including the power to punish injustice. It also implies being able to cut through obstacles to get to the facts of a case. The balance (scales) represent weighing facts and evidence to decide a verdict. It also shows her duty to restore balance to society."

With my legal situation, the DOJ through their overzealous efforts to bring the Koch brothers to justice, has severely trampled over all of my civil rights in the process. The current administration under President Joe Biden and former President Barack Obama has used the DOJ and other agencies as political weapons to go after the Koch brothers and all the other parties swept up in their investigations of them. In "my" opinion these administrations have politicized the DOJ and that assertion is supported by the House Judiciary Committee 1,000 page report of the politicalization of the DOJ in November 2022. Also the former Boston U.S. Attorney Rachel Rollins was forced to resign for political reasons. The DOJ has done this to me with no regard to my civil rights and liberties. The DOJ has also involved other institutions and Courts (including SCOTUS) to break the law and obstruct the justice I have been seeking (see attached documents).

The reason why these individuals keep threatening and harassing me is because they could be facing criminal charges for their crimes against me and the DOJ continues to allow them to, because of how damaging this potentially could be. I'm in the process of writing a book "MANIPULATED SYSTEMS, A WHISTLEBLOWERS STORY BY IRV ROUNDS". In

- 2020 through 2021 while at SCOTUS the DOJ used their political influence to “manipulate” SCOTUS (see attached exhibits) into denying my Emerging Applications for Orders and the obstruction of justice that I have been seeking.

These rulings by all the court’s involved (including SCOTUS) have enabled and encouraged the DOJ and these individuals to act out against myself and the public in violent ways in the process. I request that you and the court use all of your jurisdiction powers by granting the attached emergency order. The last time while at SCOTUS I had made many requests for an Emergency Order (see attached) and they were not only not reviewed, but my process servers were turned away after the guards called the clerks office and they were then told that they would not receive the documents (see attached documents). If this court continues to allow these named individuals and the DOJ continue to threaten me, I have been on the record for what I intend to say when this goes public. For all the State and Federal Courts and Judges overseeing this legal situation, I intend to say that “all” the cases should be put under review to be dismissed as what happened with former disgraced lab chemists Annie Dookhan and Sonja Farak (including SCOTUS). This would be not only to discipline the different Judges and Courts involved but also to “hopefully” discourage any future Judges and Courts if they have a similar circumstance such as this one to act with such egregious behavior.

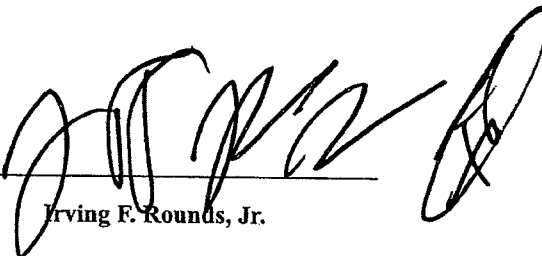

Respectfully submitted,

SUFFOLK SUPERIOR COURT
CIVIL ACTION NO. 19-3692
A 9:22
JUDGE: DEPT. CLERK
ADMINISTRATIVE

The Court held a hearing on the Plaintiff's, pro se, motion for equitable relief. The Plaintiff moves the Court to order "Massachusetts State Agencies" to provide him certain records. Plaintiff also moves the Court to order or misconduct two attorneys from the Massachusetts Public Records Division as well as the Attorney General. The Court must deny the Plaintiff's motion for several reasons. The Defendant has not withheld documents from the Plaintiff but instead state that no such documents exist. The Court has no remedy in this instance. Moreover, the ability to appeal the Board's finding has expired. "A requestor aggrieved by an order issued by the supervisor of records or upon the failure of the supervisor of records to issue a timely determination, may obtain judicial review only through an action seeking relief in the nature of certiorari..." M.G.L. 66, section 10A. M.G.L. chapter 249 section 4 provides a sixty-day window to appeal the decision. Here that time has expired. Finally, the Plaintiff Complaint along with the affidavit fails to state a cause of action against the attorneys or Attorney General. The Court has not authority to cite the Defendants for misconduct. Accordingly, the Complaint is DISMISSED.

Rounds has not alleged any changed circumstances here, but rather has repeated arguments made previously and alleged facts which could have been brought up in the initial complaint. See Blake, supra at 278; Audubon Hill S. Condo. Ass'n, supra at 471. In his motion, Rounds does not add any information about the police departments withholding records, but only further allegations of harassment. Because Rounds did not specify any changed circumstances, new evidence, new law, or a particular and demonstrable error in the original decision, the judge did not abuse his discretion by denying the motion for reconsideration.

PLAINTIFF-APPELLANT'S MOTION FOR EMERGENCY RELIEF FOR RELEASE OF POLICE RECORDS

- 2.) The Defendant(s) are Commonwealth of Massachusetts Governor Charlie Baker, Commonwealth of Massachusetts Attorney General Maura T. Healey, Commonwealth of Massachusetts Secretary of State William F. Galvin, and the Commonwealth of Massachusetts Public Records Division.

MOTION 2

3. Paragraphs 1 and 2 are incorporated herein by reference.
4. The Plaintiff-Appellant continues to receive threatening and harassing phone calls. On Friday January 13, 2023, the Plaintiff-Appellant received a threatening phone call (see attached

exhibit) at school where he teaches HVAC/R (Bay Path Regional Vocational Technical High School Charlton MA) in front of several of his students.

5. The Plaintiff-Appellant was shaken and upset after receiving the phone call. One of his students (Andrew Lunn) that had just witnessed the phone call asked me if I was all right. I then confided with Andrew that I had just received a threatening phone call from an individual that I was trying to secure a restraining order for, but I did not elaborate on the legal situation.

6. These individuals continue to threaten and harass the Plaintiff-Applicant by other means, such as driving by the Plaintiff-Appellant and harassing him on Facebook (see attached exhibit). The Plaintiff-Appellant filed a harassment complaint with Facebook on Friday January 20, 2023.

7. The Plaintiff-Appellant has been diagnosed with kidney cancer and hypertension. The concerns by the Plaintiff-Appellants doctors are, is that the stress may cause the cancer to get worse (progress) and spread (metastasis). They are concerned with the effect on my hypertension and other health issues caused by this chronic stress.

8. The Plaintiff-Appellant takes his students on field trips by bus (I drive the bus). We are currently working on an HVAC/R project at Second Chance Animal Services Community Veterinary Hospital located in Southbridge MA.

9. One of the individuals (Richard Ciruolo) that has been threatening the Plaintiff-Appellant has previously used his motor vehicles as weapons along with the staged car crash (see attached exhibits filed with the SJC application) on March 5, 2015, that could have potentially killed my ex-wife.

10. The Plaintiff-Appellant is concerned that if these individuals use a motor vehicle as a weapon while I'm driving the school bus, it could not only potentially harm the Plaintiff-Appellant but the school students in the process too.

11. The Plaintiff-Appellant is writing a book "MANIPULATED SYSTEMS, A WHISTLEBLOWERS STORY BY IRV ROUNDS" and is going public with this legal situation. These individuals continue to threaten the Plaintiff-Appellant because they could be potentially criminally charged for their involvement in my ex-wife's staged car crash and other crimes committed.

12. The Plaintiff-Appellant hereby advances his "FOURTH REQUEST TO PRODUCE POLICE RECORDS" (second request at Massachusetts SJC) to immediately release the unredacted police records that I have been seeking. As an alternate I have suggested to the lower Courts a proposed Order (see attached exhibits filed with the SJC application).

13. Wherefore, the Plaintiff- Appellant prays that the Court allow the immediate release of the public records. If these public records are not provided to the Plaintiff-Appellant, the Plaintiff-Appellant seeks a hearing and if necessary, a Trial by jury. Clearly, this is a case which cries out, "justice delayed is justice denied." Noted by the Secretary of State William Galvin "The

founding fathers of our nation strove to develop an open government formed on the principles of democracy and public participation. An informed citizen is better equipped to participate in that process." (See attached SJC Application exhibits quote from two pages of A Guide to the Massachusetts Public Records Law).

II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

- Federal question Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

28 U.S.C. 1343

B. If the Basis for Jurisdiction Is Diversity of Citizenship

1. The Plaintiff(s)

a. If the plaintiff is an individual

The plaintiff, *(name)* _____, is a citizen of the State of *(name)* _____.

b. If the plaintiff is a corporation

The plaintiff, *(name)* _____, is incorporated under the laws of the State of *(name)* _____, and has its principal place of business in the State of *(name)* _____.

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)

a. If the defendant is an individual

The defendant, *(name)* _____, is a citizen of the State of *(name)* _____ . Or is a citizen of *(foreign nation)* _____.

b. If the defendant is a corporation

The defendant, (name) _____, is incorporated under the laws of the State of (name) _____, and has its principal place of business in the State of (name) _____.

Or is incorporated under the laws of (foreign nation) _____, and has its principal place of business in (name) _____.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

\$0.00 Dollars (see relief sought below in section V.).

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the injunction or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

A. Where did the events giving rise to your claim(s) occur?

Florida and Massachusetts (see attached Affidavit)

B. What date and approximate time did the events giving rise to your claim(s) occur?

January 1998 to the present (see attached Affidavit)

- C. **What are the facts underlying your claim(s)?** *(For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)*
Defendants 1, 2 and 3 through their Agents have been relentlessly threatening and harassing the Plaintiff (See attached Affidavit)
-

IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

Defendants 1, 2 and 3 through their Agents have placed the Plaintiff in constant fear of not only being falsely arrested, but in fear of being physically harmed. Irreparable injury to the Plaintiff has been documented by the Plaintiffs two Medical doctors (Doctor Jerry Blaine, MD, Doctor John Przybylski, MD) and one licensed Social Worker (Michael E. Doran, LICSW). They all feel that this is taking a major toll on the Plaintiff physically, in the form of years lost of life, because of the shear emotional duress levied by Defendants 1, 2 and 3 Agents. All three will provide doctor notes to support that claim if the Court request them to.

V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The plaintiff seeks immediate restraining orders placed on all three of the Defendants. PETITIONER'S MOTION FOR APPLICATION OF EMERGENCY ORDER TO JUSTICE
BREYER

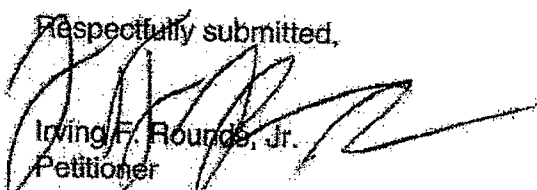

IRVING F. ROUNDS, JR.
Petitioner (Pro Se)

Email: roundsmechanical5@protonmail.com

The Petitioner files this APPLICATION for the following reasons:

- 1) As outlined in the Appendix, the Petitioner has been under constant threat along with the Petitioner's family, friends, neighbors and the public as a whole by an individual going by the name of Richard Ciruolo (agent of the U.S. Department of Justice);
- 2) As further outlined in the Appendix, the Petitioner has been seeking relief in the Federal Courts as well as the Massachusetts Superior Court to acquire Richard Ciruolo's personal information. I do so in order to file a request for a restraining order so that this individual might surrender his firearms and have his license to carry a firearm revoked;

3) Also as outlined in the Appendix, the Petitioner and his dogs were intentionally threatened by Mr. Ciruolo while driving his automobile on July 24, 2020. The Petitioner subsequently filed a police complaint with the Commonwealth of Massachusetts Police Department and Town of Clinton, Massachusetts Police Department; both agencies failed to investigate this matter because this individual is presumed to work for the Department of Justice (DOJ);

4) The Petitioner has noted in his Complaints and Motions for Equitable Relief in the U.S. District Courts that Mr. Ciruolo was presumably involved as one of five managers with the staged car crash on March 5, 2015 of the Petitioner's ex-wife (see attached exhibits in the Appendix);

5.) The Petitioner has noted in his Complaints and Motions for Equitable Relief with the Massachusetts Superior Court that Mr. Ciruolo was presumably involved as one of five managers with the staged car crash on March 5, 2015 of the Petitioner's ex-wife (see attached exhibits in the Appendix);

6.) The Department of Justice (DOJ) in October 2020 was involved in a high profile frame-up (setup) of individuals arrested and entrapped in Michigan by the DOJ and Michigan Law Enforcement to use as pretense, pretext and grounds as justification to falsely arrest the Petitioner and harm the Petitioner in the process. The reason why the DOJ did not follow through with it, was that the one of the Petitioner's Attorneys has a source (whistleblower) in the Boston FBI Field Office and the Petitioner's Attorney instructed the Petitioner to talk about the DOJ's plans openly over his cellular phone with friends and family to discourage the DOJ of their plan;

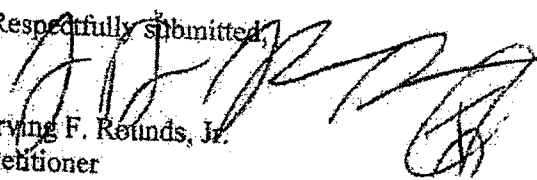

7.) For all of the reasons noted above, the Petitioner seeks an APPLICATION for Emergency Order with Associate Justice Breyer so that the Petitioner may seek emergency, equitable relief to wit: that Mr. Ciruolo be restrained from interfering in the livelihood of the Petitioner and those with whom the Petitioner may come in contact. Along with that the DOJ cease threatening and harassing the Petitioner. This is clearly a public safety matter that SCOTUS has the jurisdiction to resolve. Furthermore, it involves individual freedom declared under the Declaration of Independence: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

8.) The Petitioner requests Justice Breyer Order the DOJ and its manager Robert Ciruolo, to cease threatening and harassing the Petitioner and suggest that the DOJ meet with the Petitioner to settle this matter out of Court.

9.) If the Petitioner is not granted equitable relief from SCOTUS, the Petitioner will then go public with all his legal efforts to have all the different Courts involved over the last five plus years to intervene and stop this threatening and harassing abuse levied by the DOJ against the Petitioner, his family, friends and the public as a whole.

For all the reasons stated above, the Petitioner makes this request in accordance with Rules 22 and 33.2 of the U.S. Supreme Courts Rules of Civil Procedure. Proof of Service has been provided in accordance with Rule 29 of same.

Dear Deputy Clerk Of SCOTUS,

The Petitioner's original Petition for Writ of Certiorari was denied by the Court on 11/2/2020 following Private Conference (10/30/2020). The Petitioner intends to file a Petition for Rehearing under Rule 44 of the Supreme Court Rules. The Petitioner called SCOTUS and spoke with SCOTUS assigned analyst Mr. Michael Duggan on November 12, 2020 and again on November 16, 2020 to see if a ruling was made on my Application. Mr. Duggan claims that not only can he find the Application, but also his colleagues at SCOTUS's clerks office couldn't locate it and it hadn't been docketed.

This latest incident emphasizes the urgency of this request to Justice Breyer. This is clearly a public safety matter.

This application is covered under Rule 22, is addressed to Justice Breyer, which has arisen from the First Circuit Court and the District Courts, as outlined in the Petition of Writ certiorari and appendix. Justice Breyer has authority and jurisdiction to grant the sought relief.

Rounds v. Koch

Docket No. 20-248

Dear Ms. Silver and Mr. Harris,

Please be advised of the following relative to my telephone conversation with Ms. Laurie Woods at SCOTUS on 12/30/2020:

1. I have not received the letters which Ms. Woods claim were addressed to me on 12/15/2020 and 12/21/2020 and which Ms. Woods have re-sent on 12/28/2020) (Note: I also never received a written or oral response from the Clerk's Office at the time I originally filed my Motion (August 24, 2020) which was not docketed);

2. The Application which I filed with the Court did comply with Rule 23.3 of the Rules of the Supreme Court in that I first sought relief in the U.S. District Court in Worcester, Massachusetts; an interlocutory appeal was filed with the First Circuit after an injunction request had been filed with the District Court. A ruling by the District Court was later appealed to the U.S. Court of Appeals for the First Circuit prior to my filing the Application with SCOTUS. I had filed multiple motions with the First Circuit requesting that the DOJ stop threatening and harassing me. On February 27, 2020 the First Circuit ordered that "The exhibits to the motions (for injunctive relief) . . . are ordered sealed in view of their nature." I have attached all the supporting documents;
3. The Petitioner's Request for a Writ of CERTIORARI with SCOTUS was a consolidated Appeal from the First Circuit and a Direct Appeal from the Boston District Court in which three (3) Requests for Injunctive Relief had been filed. I have one attached copy of the injunction in the Appendix (see pages 42-49).
4. I also filed a Request for Injunctive Relief (see Appendix pages 104-107) in the Massachusetts Superior Court in November of 2019; It's presumed the reason why Judge Tochka won't rule on this injunction and provide the public records that the Petitioner is seeking from November 25, 2019, is it's presumed that Judge Tochka, the Massachusetts Attorney General's office and the Massachusetts State Police know that Mr. Ciruolo is a manager for the DOJ.
5. The DOJ continues to threaten and harass me; on December 30, 2020 I received 5 threatening phone calls and two threatening and harassing emails; I can furnish SCOTUS with evidence to support that contention; two (2) Doctors notes and a note from a Licensed Social worker to support that claim, that this abuse is physically harming me. This harassment is prohibited by various provisions of the U.S. Constitution as well as the Declaration of Independence;
6. I attached copies of my Motions in the lower Courts to the original Appendix which was filed along with my original Petition for a Writ of Certiorari and I am again forwarding the relevant Appendix pages (and supplemental materials) per your request today;
7. Please docket my Application for Justice Breyer at your earliest convenience and forward same to him. Also because of the length of time for this motion request, I ask that it be treated as an emergency expedited request, due to all the mitigating factors.

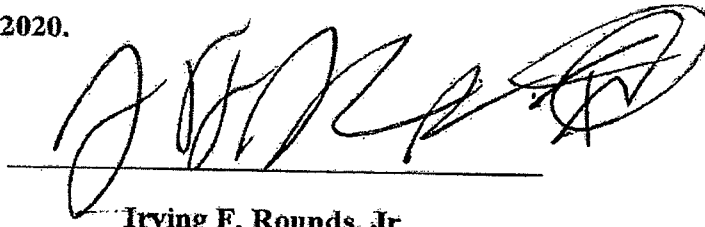

This application is covered under Rule 22, is addressed to Justice Breyer, which has arisen from the First Circuit Court and the District Courts, as outlined in the Petition of

Writ certiorari and appendix. Justice Breyer has authority and jurisdiction to grant the sought relief.

Respectfully submitted,

Irving F. Rounds, Jr.

Hey Irv, I think unfortunately for this one since we did print the documents and have our server make the attempt to get them filed then we won't be able to do a refund on this one. If the server wasn't able to try due to some fault of his or our own, then we would definitely provide that refund.

Was Same Day Process able to get it delivered? Regardless, we are happy to get more things filed/delivered for you in the future!

Thanks again Brandon!

I really appreciate it!

Dear Chief Justice Roberts,

My Rehearing Petition was denied at SCOTUS on January 11, 2021. I have been in contact with various SCOTUS's clerks about my Motion in kind which I originally filed on August 24, 2020 and later resubmitted a few times, the most recent resend on December 31, 2020 still has not been docketed. Prior to that ruling, I had two different motions in kind for an Application to Justice Breyer (see attached). Both were filed in a timely manner prior to my Petition for a Writ of certiorari and Petition for Rehearing on same. I need to know the ruling on those motions and why they have not been posted on the SCOTUS website, after numerous requests to have them posted.

I would also like to give you and SCOTUS a timeline of my legal matter which led to my litigation leading up to SCOTUS and the events which transpired at SCOTUS. On January 7, 1998 I reported my then employer Airtron Heating and Air Conditioning for violations of the Clean Air Act to Special Agent Dan Green from the Environmental Protection Agency's (EPA) Criminal Investigation Division (CID) at his Tampa, Florida field office.

I had called Special Agent Dan Green several times anonymously leading up to our meeting. I had expressed legitimate concerns for both my ex-wife and my safety: I had requested witness protection because of death threats I had received; he guaranteed me this protection but later reneged. During the meeting, he told me how he would be working with the Department of Justice (DOJ) on this case, specifically the FBI.

I had received these death threats because my coworkers had told the upper management at Airtron that I was not only going to blow the whistle on them for venting refrigerants (violating the Clean Air Act) but also blow the whistle on them for forcing HVAC service techs to exploit the elderly. They did so by selling them things they did not need and forcing HVAC service techs to keep quiet about severe mold problems within HVAC systems that Airtron was installing.

Airtron and its upper management at its new parent company, Group MAC, realized that if this matter went public it would cost the HVAC industry several hundred billion dollars, like what had just happened to the tobacco industry. Group MAC and its management through its Agents told the DOJ that I had sabotaged these systems.

On or about the second and third weeks of 1998 at one of the homes with severe mold problems, owner, and prominent Attorney at the time in the Tampa Bay Area, Larry Beltz along with the DOJ (FBI) on two separate occasions tried to entrap me for extortion. Group MAC's upper management told the DOJ that I had

sabotaged Mr. Beltz's HVAC system; my motive was allegedly to tell him to initiate massive class action lawsuits whereby I would be compensated from Mr. Beltz.

I did not sabotage Mr. Beltz's HVAC systems and I never approached Mr. Beltz about starting class action lawsuits. The severe mold problem which was within Mr. Beltz's HVAC systems was caused by Airtron's poor design, improper installation, and the use of substandard materials. Two of the part owners of Group MAC at the time were Charles and David Koch (aka the Koch brothers).

The DOJ then commenced an investigation of Airtron and the Koch brothers not only for this transgression but for additional matters including manipulation of the oil futures markets and political and social engineering. The Koch brothers have been heavily involved in politics, specifically the Republican Party. High-profile politicians swept up (figuratively speaking) in the DOJ's investigation of the Koch brothers include President Donald J. Trump.

In December of 2011, one of my Attorneys, Lana Sullivan, who had worked for Davids & Cohen in Wellesley, Massachusetts called Special Agent Dan Green relative to the status of his investigation. He would not confirm or deny the investigation and refused to comment on it. On January 5, 2012, I was instructed by one of my Attorneys to send an email (see attached exhibit page 102 in complaints) to myself (with the subject line of 60 Minutes segments); the DOJ is hacked into my Verizon email account (which is now AOL). I sent it to myself to let the DOJ know that I knew how the DOJ ran a front to say that I was involved in environmental terrorism (eco terrorist). The DOJ would use this front as justification to the courts and if this matter were to ever go public for my long running time involvement in this legal matter.

The following week the DOJ staged a national news event in Tampa Florida (see exhibits in complaints filed) to give it grounds and justification to not only falsely arrest myself but also my brother who resides in Parrish, Florida. One of my Attorneys with the whistleblower (source) in the Boston FBI Field Office said the reason why they did not go through with it was because they were not sure who the whistleblower was nor how I was getting my information.

From that specific point in time, the DOJ, and the Central Intelligence Agency (CIA) (who are heavily and "illegally" involved in this matter), stepped up its relentless threatening and harassing treatment towards me. The DOJ then staged three other national news events (as outlined in the exhibits of my complaints) but never followed through with them. My Attorney with the source (whistleblower in the Boston FBI Field Office) instructed me to talk openly of their plans over my cellular phone to discourage them from going through with them. The DOJ has had my cell phone tapped. In those three specific staged events, had they followed

through with their plans, they were going to physically harm both my dogs and I in the process as outlined in the exhibits.

Starting in 2015 to the present, I have filed four different lawsuits in Massachusetts District Courts and one in the Massachusetts Superior Court (as outlined in the respective complaints and exhibits) which were all to try to have myself legally removed from the DOJ's investigation of the Koch brothers and other parties. Then on August 24, 2020 I filed a Petition for a Writ of Certiorari at SCOTUS along with the Application motion to Justice Breyer for an expedited emergency order, Rehearing Petition as well as a subsequent motion in kind for the Application to Justice Breyer for the ruling on an emergency order.

As stated in my Application motion letter (see attached) that I filed on November 16, 2020, there was an incident at my apartment building on November 14, 2020. This was one of my points of new developments that supported not only my Rehearing, but the urgency for my request for the emergency order. If I decide to go public with this legal matter, I will elaborate on what happened on November 14, 2020, and how the DOJ and its manager (Richard Ciruolo) threatened my upstairs neighbor, Autumn Jones a 24-year-old single mother and her two, twin one-year-old sons, Bentley and Landon. Because of the size of this email, I will send a separate email of a video that I took of my upstairs neighbors, Bentley, and Landon which I forwarded to my brother at Christmas time, 2020.

In closing, when Ms. Maura Silver from SCOTUS called me on Friday evening January 8, 2021 around 6:00pm, one of the things that I had said was that I needed the DOJ to stop threatening me, which I evidenced to support that claim and that I cannot go to any higher (in reference to SCOTUS) court. I also said that the DOJ continues to threaten me and physically harm me which has been documented by two, medical doctors and a licensed social worker. If I am unable to get SCOTUS to give me equitable relief in the form of SCOTUS stopping the DOJ from threatening me, if I go public with this, I will be able to say that I have completely exhausted all my legal means to stop them. I intend to file a review of the decision from SCOTUS on January 11, 2021 because of my well documented problems with my regular mail from the USPS and request a time extension to file it, because of these problems with my regular mail, as it relates to this legal matter.

I will also proclaim that the complicity of all of the parties involved (including the courts) and that the courts emboldening of the DOJ (which has allowed the DOJ to act out in violent ways towards me), should now throw into question all of the cases of the DOJ and Massachusetts law enforcement that have been successfully prosecuted and all of the US and State law enforcement agencies that have relied on or partnered with the DOJ over the last twenty two years (the length of my involvement with this legal matter). I will state that all of them should be put under review or be dismissed, as what happened with disgraced Massachusetts State Police lab chemists, Annie Dookhan and Sonja Farak.

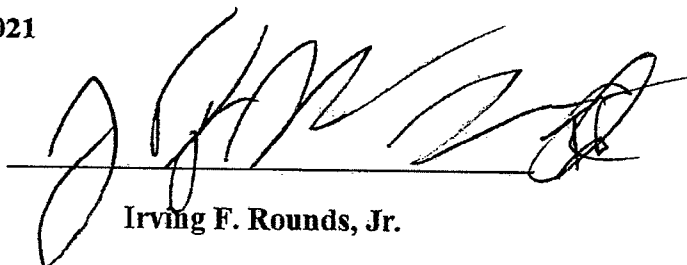

If you could please let me know the status of the Application (motion in kind) by the end of the business day January 15, 2021 or if SCOTUS needs more time to rule on it. I have decided not to move in with my ex-wife on January 15, 2021 until this emergency order is secured. As well documented (see my Appendix pages 67-73) my ex-wife has been threatened and harassed by this individual and the DOJ in which I am seeking this application for. This individual is presumed to be one of five mangers that planned, ordered, and executed my ex-wife's staged car crash on March 5, 2015. She could have been seriously hurt, maimed, or killed if her air bag deployed. She drove a 2006 Ford Explorer (see Appendix page 67) which had at the time a Takata air bag that was recalled. I intend to have my process server hand deliver a copy of this letter no later than the end of business day January 14, 2012. Please advise.

This application is covered under Rule 22, is addressed to Justice Breyer, which has arisen from the First Circuit Court and the District Courts, as outlined in the Petition of Writ certiorari and appendix. Justice Breyer has authority and jurisdiction to grant the sought relief. Also because of the length of time for this motion request, I ask that it be treated as an expedited request, due to all the mitigating factors.

Respectfully submitted,

Irving F. Rounds, Jr.

The Plaintiff files

An Interlocutory

Appeal

PARTIES

1. Plaintiff: Irving F. Rounds, Jr. is an individual residing at 246 Beacon Street Apartment 1, Clinton MA 01510. "Mailing addresses P.O. Box 324, Clinton, MA 01510."
2. Defendant #1, Charles Koch is an individual who resides in Wichita Kansas and has a mailing address of P.O. Box 2256 Wichita, KS-67201-2256
3. Defendant #2 David Koch is an individual who resides at 740 Park Avenue Manhattan New York 10021
4. Defendant #3 Department of Justice, which is a Department of the government of the United States of America, which maintains offices in Washington, D.C.

JURISDICTION

5. Jurisdiction is claimed under 28 USC Chapter Spc. 1343

Motion 8

6. The Plaintiff files an Interlocutory appeal on one narrow part of this case: the rulings dated 8/31/18, docket# 27, District Judge Timothy S. Hillman: ELECTRONIC ORDER entered denying docket# 23 Motion to have Judge D.J. Hillman recuse himself; denying docket# 24 Motion to Amend; and denying docket# 25 Motion to have defendant 3 stop relentlessly harassing the Plaintiff. (Castles, Martin) (Entered: 08/31/18) see exhibit#299.
7. The Plaintiff files this motion based on newly discovered evidence to support this motion.
8. On docket# 23 Motion to have Judge T.S. Hillman recuse himself; newly discovered evidence (see exhibits 300 -313) to support this motion shows that by having Judge Hillman not recusing himself, that his bias and prejudice towards the Plaintiff is physically harming the Plaintiff in years being lost off the Plaintiffs life, caused by the stress induced by Defendants 1, 2 and 3 as supported by two of the Plaintiffs medical Doctors.
9. On denying docket# 24 Motion to Amend; newly discovered evidence to support this motion shows that Defendant 3 by hacking into the Plaintiffs cell phone (see exhibits 300 -309) is not only one more example of Defendant 3 relentless harassment towards the Plaintiff, but it also supports Defendant 3 efforts to disrupt the Plaintiffs communication abilities to respond to this complaint in a timely manner.
10. On denying docket# 25 Motion to have defendant 3 stop relentlessly harassing the Plaintiff; newly discovered evidence (see exhibits 300 -309) to support this motion shows that Defendant 3 is continuing to relentlessly harass the Plaintiff which is physically harming the Plaintiff in the form of years lost of the Plaintiffs life, harming the Plaintiff financially in the form of costs to switch his cell phone from Apple to Google, having to buy a new computer because Defendant 3 infected the Plaintiffs old iPhone and iPad and disrupting the Plaintiffs communication abilities to respond to this complaint in a timely manner.

Conclusion

WHEREFORE, for the foregoing reasons, the Motion should be allowed.

II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (check all that apply)

Federal question

Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

28 U.S.C. 1343

B. If the Basis for Jurisdiction Is Diversity of Citizenship

1. The Plaintiff(s)

a. If the plaintiff is an individual

The plaintiff, (name) Irving F. Rounds Jr., is a citizen of the State of (name) Massachusetts

b. If the plaintiff is a corporation

The plaintiff, (name) _____, is incorporated under the laws of the State of (name) _____ and has its principal place of business in the State of (name) _____

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)

a. If the defendant is an individual

The defendant, (name) See attachments 2, is a citizen of the State of (name) _____ Or is a citizen of (foreign nation) _____

b. If the defendant is a corporation

The defendant, *(name)* _____, is incorporated under
the laws of the State of *(name)* _____, and has its
principal place of business in the State of *(name)* _____
Or is incorporated under the laws of *(foreign nation)* _____
and has its principal place of business in *(name)* _____.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:
Damages exceed \$75,000.00

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the injunction or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

A. Where did the events giving rise to your claim(s) occur?

Florida and Massachusetts (see attached complaint with exhibits)

B. What date and approximate time did the events giving rise to your claim(s) occur?

January 1998 to present (see attached complaint with exhibits)

C. What are the facts underlying your claim(s)? (For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)

Defendants #1, #2 and #3 through their agents and specifically a manager of the DOJ (agent of Defendant #1, #2 and #3) have followed me to my gym (as outlined in the Exhibits) and followed me to Shaw's supermarket on February 2, 2020 (see exhibits) whereupon the Plaintiff filed a complaint with Shaw's. This DOJ's egregious behavior toward the Plaintiff is placing the Plaintiff and the public in imminent danger given the agents' harassing and intimidating behavior. Most recently, a manager who is an agent of Defendants #1, #2 and #3 has been following the Plaintiff to his new gym at Orchard Hills Athletic Club in Lancaster, Massachusetts (see exhibits). The Plaintiff's fear is for his safety and that of the public's safety; the DOJ, by provoking the Plaintiff, could potentially cause some type of altercation where the agents could discharge their firearms not only harming the Plaintiff but anyone caught in some type of crossfire. The Plaintiff, starting in January 1998, was effectively "entrapped" twice for extortion and has been forced against his will through various investigations by Defendants #1, #2 and #3.

IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

The Defendants #1, #2 and #3 through their agents along with the specific individual (DOJ manager) have placed the Plaintiff in constant fear of being falsely arrested given the harassing and intimidating behavior of their agents and the named individual (DOJ manager as outlined in the exhibits). This has been documented by the Plaintiff's two medical doctors (Doctor Jerry Blaine, MD, Doctor John L. Przybylski, MD) and one clinical Social Worker (Michael E. Foran, LICSW). They all feel that this has taken a major toll on the Plaintiff physically, in the form of years lost of life, because of the sheer emotional duress levied by Defendants' 1, 2 and 3 agents as well as the latest abuse at the Plaintiff's new gym, Orchard Hills Athletic Club. All three will provide Doctor notes to support that claim should the Court require them to do so.

V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The Plaintiff needs all 3 Defendants through their agents to stop harassing, threatening, stalking and intimidating the Plaintiff and placing the Plaintiff in constant fear of his safety and that of others. The Plaintiff is seeking relief in the form of compensatory and punitive damages as outlined in the complaint.

VI. Certification and Closing

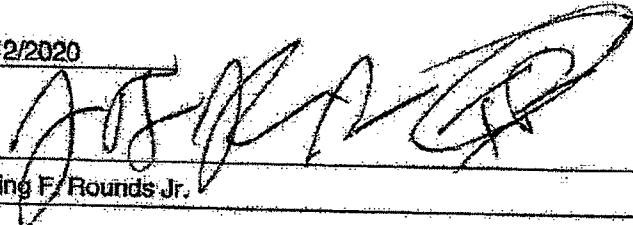

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

A. For Parties Without an Attorney

I agree to provide the Clerk's Office with any changes to my address where case-related papers may be served. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.

United States Court of Appeals For the First Circuit

No. 18-1878

IRVING F. ROUNDS, JR.

Plaintiff - Appellant

v.

CHARLES KOCH; DAVID KOCH; UNITED STATES GOVERNMENT DEPARTMENT OF JUSTICE; ROD ROSENSTEIN, U.S. Deputy Attorney General; ROBERT MUELLER, Special Counsel and former F.B.I. Director; ROBERT GOODLATTE, Congressman, Chairman of the DOJ's oversight committee

Defendants - Appellees

ORDER OF COURT

Entered: October 23, 2018
Pursuant to 1st Cir. R. 27.0(d)

Plaintiff-appellant Irving F. Rounds, Jr., filed a Notice of Interlocutory Appeal (D. Ct. Dkt. #28) in district court case no. 4:18-cv-40066-TSH (D. Mass.) on September 11, 2018, seeking to appeal "one narrow part of this case," the district court's August 31, 2018, electronic order denying his motions for (1) recusal of district court Judge Hillman; (2) leave to amend plaintiff-appellant's motion for reconsideration; and (3) "to have defendant 3 stop relentlessly harassing the Plaintiff."

Upon review, it appears this court does not have jurisdiction to review plaintiff-appellant's appeal of the denial of his motions because no final judgment or otherwise appealable order has entered in the district court. See 28 U.S.C. §§ 1291, 1292; see also *In re Martinez-Catala*, 129 F.3d 213, 217 (1st Cir. 1997) ("Ordinarily, a district judge's refusal to recuse is reviewable only on appeal of a final judgment[.]"); *Kartell v. Blue Shield of Massachusetts, Inc.*, 687 F.2d 543, 551 (1st Cir. 1982) (finding the denial of a motion to amend a complaint is not a final judgment subject to interlocutory appeal); *Carson v. Am. Brands, Inc.*, 450 U.S. 79, 84 (1981) (finding the exception to finality allowing immediate review of certain orders relating to injunctions must be strictly construed and that interlocutory review is precluded unless it has "serious, perhaps irreparable, consequence," and that the order can be "effectually challenged" only by immediate appeal). *E.g.*, *De La Tierra Del Cano Martin Pena v. Fortune*, 582 F.3d 131, 133 (1st Cir. 2009).

Accordingly, plaintiff-appellant Irving F. Rounds, Jr., is ordered to either move for voluntary dismissal of this appeal pursuant to Fed. R. App. P. 42(b), or show cause, in writing, filed by November 6, 2018 why this appeal should not be dismissed for lack of jurisdiction. The

failure to take either action will lead to dismissal of this appeal for lack of diligent prosecution.
See 1st Cir. R. 3.0(b).

RECEIVED
U.S. COURT OF APPEALS
FIRST CIRCUIT
CLINTON, MASSACHUSETTS

**Civil Action
NO 4:18-CV-
40066-TSH
Review of
Request for
Injunction**

The Plaintiff hereby files with the United States Court of Appeals for the First Circuit for a review of the United States District Court's denial (Billman, J.) of his Motion for Injunctive Relief on 1/8/2019.

PARTIES

1. **Plaintiff: Irving F. Rounds, Jr. is an individual residing at 246 Beacon Street Apartment 1, Clinton MA 01510. "Mailing addresses P.O. Box 324, Clinton, MA 01510."**
2. **Defendant #1, Charles Koch is an individual who resides in Wichita Kansas and has a mailing address of P.O. Box 2256 Wichita, KS-67201-2256**
3. **Defendant #2 David Koch is an individual who resides at 740 Park Avenue Manhattan New York 10021**
4. **Defendant #3 Department of Justice, which is a Department of the government of the United States of America, which maintains offices in Washington, D.C.**

JURISDICTION

5. **Jurisdiction is claimed under 28 USC Chapter Sec. 1343**
6. **The Plaintiff hereby files with the United States Court of Appeals for the First Circuit for a review of the United States District Court's denial (Hillman, J.) of his Motion for Injunctive Relief on 1/8/2019.**
7. **The Plaintiff files this motion based because Judge T.S. Hillman continues to allow Defendants 1,2 and 3 to relentlessly harass, threaten and intimidate the Plaintiff to date as outlined in this complaint with attachments (see new attachments) and a previous complaint filed in May of 2017.**
8. **The Plaintiff to date has filed factual documentation to support this injunction such as stated in motion 5 (see copy of attached motion and attachments). In that motion the Plaintiff stated and proved how that he suffered a work related accident in the form of emotional distress.**
9. **The Plaintiff was then forced to quit his job because Defendants 1 and 2 had told his then employers' upper management (Life Technologies) of how he was an informant for the U.S. Government (Defendant 3).**
10. **The Plaintiff's then employer (Life Technologies) was then Court ordered by Administrative Judge Roger S. Lewenberg to compensate the Plaintiff, because of the harassment levied by Defendants 1, 2 and 3 as outlined in the complaint and attachments.**
11. **As stated in the Plaintiff's motion's 5 and 8, the Plaintiff feels that Judge T.S. Hillman is biased and prejudiced to oversee this case. Judge Hillman's bias and prejudice is causing physical harm to the Plaintiff by allowing Defendants 1, 2 and 3 to harass, threaten and intimidate the Plaintiff, as outlined in the complaint, exhibits and motions not only in this case, but also in a recent Law suit**

filed related to this Legal matter, Civil action 4:17-CV-40072-TSH, where Judge T.S. Hillman over-saw the case.

12. Judge T.S. Hillman has been provided several hundred pages of attachments to support the claim that the Plaintiff is in fact being harassed, threatened and intimidated Defendants 1, 2 and 3. For whatever reason Judge T.S. Hillman is not impartial to oversee both the ruling on the injunction and complaint.

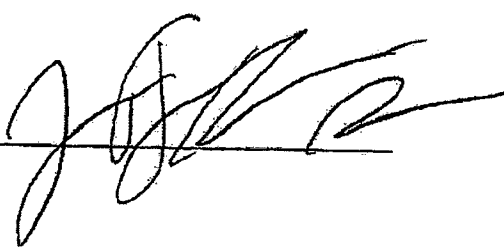

13. The Plaintiff has sought medical help for work related and stress induced by Defendants 1,2 and 3 brought on by the relentless harassment (see exhibits 295-296). "The Plaintiff has been treated (and consulted with) . . . Doctor Jerry Blaine, MD, Social Worker Michael E. Foran, LICSW and Doctor John L. Przybylski, MD." They all feel that the harassment levied by Defendant 1, 2, and 3 has taken an adverse effect and toll on the Plaintiff's health. They will all furnish Doctor notes to the United States Court of Appeals for the First Circuit if requested by the Court to support that claim.

WHEREFORE, for the foregoing reasons, the Plaintiff seeks review with the United States Court of Appeals for the First Circuit of the denial of his Request for Injunctive Relief by the United States District Court (Hillman, J.) on 1/8/2019. The Plaintiff does so without prejudice following the prior direction of the Appeals Court (10/23/18). The Plaintiff also prays the Court appoint another Judge at the District Court to oversee the injunction request based on the interlocutory appeal filed with the First Circuit of Appeals on September 11th, 2018. Furthermore, the Plaintiff requests a hearing before the Court.

II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

Damages exceed \$75,000.00

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the injunction or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

Since that time I have been harassed, threatened and intimidated by Defendants 1,2 and 3. I have two medical Doctors (Doctor Jerry Blaine, MD, Doctor John L. Przybylski, MD) and one clinical Social Worker (Michael E. Foran, LICSW).

They all feel that this has taken a major toll on me physically, in the form of years lost of life, because of the sheer emotional duress levied by Defendant's 1, 2 and 3. All three will provide Doctor notes to support that claim if the Court requests them to.

IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

Defendants 1 and 2 through their agents engaged in a pattern of harassment, intimidation and threatening the Plaintiff which is hindering my livelihood and career opportunities.

Defendant 3 through their agents engaged in a pattern of harassment, intimidation and threatening the Plaintiff which is hindering my livelihood and career opportunities.

All activities of these Defendants have irreparably injured the Plaintiff physically.

V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

I need all 3 Defendants to stop harassing, threatening and intimidating me in order that I may find full time employment for which I'm fully qualified within my HVACR field (I have been limited to employment on a part time basis with out benefits). I'm seeking relief in the form of compensatory and punitive damages as outlined in the original complaint.

VI. Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

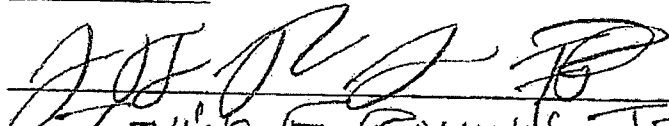

A. For Parties Without an Attorney

I agree to provide the Clerk's Office with any changes to my address where case-related papers may be served. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.

RE: File Police complaint about incidents at Apple County Market, Clinton Massachusetts to the Clinton Massachusetts Police Department

On Thursday January 21, 2021 at approximately 8:15 AM the individual in the attached pictures (also refer to Apple County Markets security camera tapes) deliberately cut in front of me while I was leaving the store, which was in an effort to cause an altercation. This individual appears to be possibly the same Department of Justice (DOJ) Agent that was threatening and harassing me at Orchard Hills Athletic Club in Lancaster Massachusetts, which I sent Detective Shaw from the Lancaster Massachusetts Police Department various emails and carbon copied (Cc) Detective Schmidt, Lieutenant Coyne and the Chief of Police, all from the Clinton Massachusetts Police Department on.

On Friday January 22, 2021, I was leaving the parking lot after shopping in Apple County Market in my 2004 Subaru Outback and this individual in the attached pictures ran up to my car and pointed what appeared to be a firearm at me with a hostile and aggressive facial expression. I then looked at my rosary beads with a cross that hang down from my rear view mirror and said a prayer to God. Then the individual appeared startled and fled the scene of the incident.

On advise of one of my Attorneys, she had recommended previously to try to get pictures of these different incidents and instead of driving away from the individual, I then proceeded to drive by him and take pictures of him running from the scene of

the incident. If you look at the picture he appears to have a firearm in his right hand.

Because I'm not sure if this individual is a DOJ Agent, an Agent of Charles Koch or from the estate of deceased David Koch (which I have pending litigation the Supreme Court Of The United States (SCOTUS) or some unstable individual who is threatening me, I request the following from the Clinton Massachusetts Police Department:

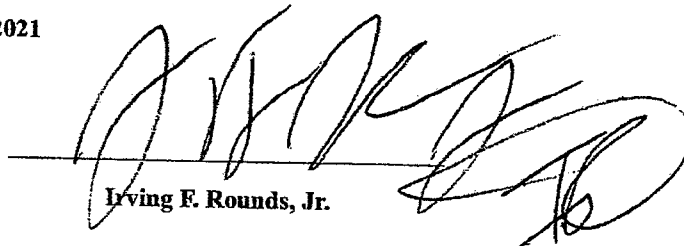

- 1.) Identify who this individual is and ask him why he is threatening me.
- 2.) If he is an Agent for the DOJ, I know that the Clinton Massachusetts Police Department lacks Jurisdiction over the DOJ and can't divulge his information, but at least acknowledge that he is, in order that I will furnish that information to SCOTUS on a pending Application to Justice Breyer at SCOTUS for an emergency order that the DOJ stops threatening and harassing me.
- 3.) If the individual is not a DOJ Agent, then I need to retain his personal information in order to retain a restraining order against him and file a complaint to have his right to carry firearm (if he ever has a license to carry a firearm) taken away.

If you could please let me know as soon as possible I would greatly appreciate it.

Respectfully submitted,

Irving F. Rounds, Jr.

Hi Betsy,

As I just told you, I have some very serious Legal issues with the Department of Justice (DOJ) as it relates directly with a whistle blowing case I'm involved in, regarding Charles and David Koch AKA the Koch brothers. One of my Attorneys private investigators has a source (whistle blower) in the Boston F.B.I. filed office, that states that 2 F.B.I. Agents staged the car crash with my ex-wife on 3/5/2015. They allegedly staged the car crash so when they sent me that bogus email the next day, I would click on that hyperlink and then they could then hack into my computer.

I then went to the Massachusetts State Police Detectives Unit in Woburn and spoke with Sargent Bruce O'Rourke about that and along with other Legal matters regarding my involvement with this whistle blowing case. There is no other action required by you and or your insurance company at the time. I appreciate you acknowledging that you didn't send this email.

Thank you,

I never sent this email to you! Somebody used my "NAME" to affix to a bogus email address. The only email address that I used for business back in 2015 was BELister@aol.com.

I've NEVER had an email address of that nature; this appears to be a phishing email whereas it was sent to numerous people.

Hi Betsy,

I need to do a follow up question regarding an email sent to me (see screen shot below) on 3/6/15. As we discussed, this was regarding when at the time I had told you that this email was sent to me the day after 2 cars deliberately staged a car crash with my ex-wife Suzanne, which was in an effort so I would click on the emails

Re: Irving Rounds Jr
Lahey # 2273454

Dear Atty. Anastos:

I am writing you regarding Mr. Rounds, with his permission.

I saw him on January 25, 2012. He reported to me that he had been under intense stress at work related to his role as a whistle blower to the EPA 14 years ago for another company. He felt that this was being held against him. He was unable to work during this time. He was seeing a social worker. He was unable to focus on his health. He felt that he was being discriminated against by his supervisors. He was out of work until February 27 as a result of this stress on his health.

Sincerely yours,

Jerry M. Blaine M.D.

1/4/12 First Session – Presenting Problem: Mr. Rounds is a 49 year male who had to leave his previous employment due to work related stress and he has an ongoing workers' compensation claim. The client related in detail the events at his last employer, which led to the stress, which made it impossible to remain at his job. The client related that he has had a longstanding Whistle Blower case with the EPA. The case has been pending for years, however, the client appears to be able to handle that stress. However, when his manager at his last place of employment wanted him to lie to OSHA about OSHA' regulations the company was violating he refused and his work environment became a hostile one which resulted in the stress which eventually led to his filing a workers' compensation claim. The client also related that that his manager and coworkers had somehow found out that he was a Whistle Blower for the EPA. The client also related that he suspected a coworker was an undercover FBI agent..

1/18/12 Saw client for the second time – we discussed his mood. He related that his stress had abated since he had left his last job and he was optimistic about finding new employment. He denied being depressed or anxious and he noted that he was feeling more positive about his future and that he was exercising and losing weight. The client did note that the ongoing workers' compensation case was a concern, but he was handling the stress from that issue.

1/25/12 Met with the client for the last time today for half a session. I told the client that his stress appeared to be well under control and that he was not presenting with any symptoms which would justify continued treatment. The client agreed and he said he was fairly certain that he would shortly be starting a new job that, due to the distance, would not make it possible for him to continue therapy with me. The client had asked me to complete a report regarding his treatment for work related stress. This report was to be given to his attorney in preparation for his workers' compensation case before the Industrial Accident Board. I told the client that I could not do that as I had never treated him for that stress and that he was not showing signs of it when he presented for treatment. I noted that I did not doubt that it had been a very stressful time and that it was the reason he had to leave his job, but I could not write a report about something I never treated him for. We agreed that this would be our last session and I urged the client to return to therapy, with me or someone else, if he felt he needed the support.

Incidents At Anytime Fitness Southbridge And Auburn MA

Hi Carlos,

I'm just doing a follow up to our conversation earlier today. As we discussed, I'm involved in a high profile whistleblower case (see attached documents and hyperlink with documents on it). The Department of Justice (DOJ) has severely broken the law against me in the process of going after Charles and David Koch a.k.a. the Koch brothers.

The DOJ staged a car crash on March 5, 2015 and almost killed my ex-wife as outlined in the documents. For this reason, there has been multiple individuals that have been threatening me, because they could be possibly criminally charged for their involvement.

The DOJ through their agents have been threatening me at various different locations for over the last past 15 plus years including gyms such as Planet Fitness Burlington, MA, Pro-Fitness Gym Billerica, Encompass Fitness Framingham, LA Fitness Framingham, Lifetime Fitness Framingham and Chestnut Hill MA, Ciccone Family Fitness Clinton MA, Orchard Hills Athletic Club Lancaster MA, Anytime Fitness Clubs: Clinton, Boylston, Grafton, Worcester (both locations), Auburn and Southbridge locations.

On March 15, 2023, a few of these DOJ agents followed me to Anytime Fitness Southbridge (see attached video). I reported the incident to Lauren that night. She told me his name but that's his alias name. His real name John Klesaris. Then on May 8, 2023, he followed me into Anytime Fitness Auburn MA. Then on May 9, 2023, he threatened me in the parking lot at Anytime Fitness Auburn and I thought he was going to reach into his pocket and then he got in his car and left (see attached picture).

If you could please provide me with his alias name I would appreciate it. There is a possibility I might file a complaint with the Massachusetts State Police, but as I told you they lack jurisdiction over the DOJ. If you have any video of him while at your gym while I was there I would appreciate it and if I could get a copy of it. I Cc Eric from Anytime Fitness Auburn MA.

Like I also said if you know Jim Buck (the former owner of Anytime Fitness Clinton MA) and if he's willing to disclose what happened at his gym, you can get some insight of what's going on here. I also suggest that you contact any Law Enforcement agencies that you know

(specifically either the Clinton, Charlton or Massachusetts State Police departments) to also give you insight again on what's going on here. I just want to reassure both you and Eric that I'm not going to start any trouble inside your gyms. I just want to go there to workout!

Also, I texted Ramiro to have him give you a call about that Spanish-speaking class that you suggested in Southbridge. Depending on how I do over the next week or two with school homework, I'll try to get out to Anytime Fitness Southbridge and the Plainville club to take care of those things. If either you, Lauren or Eric have any questions regarding this matter, please feel free to contact me.
