

**EXTENSION OF TIME REQUEST FOR  
A PETITION FOR WRIT OF CERTIORARI**

No. \_\_\_\_\_

In The Supreme Court Of The United States

Dora L. Adkins, Petitioner,

v.

Fitness International, LLC, Respondent.

**APPLICATION FOR EXTENSION OF TIME TO FILE  
PETITION FOR WRIT OF CERTIORARI TO THE  
UNITED STATES COURT OF APPEALS FOR THE FOURTH CIRCUIT**

To the Honorable Chief Justice John Roberts for the Fourth Circuit Court of Appeals:

Petitioner Dora Adkins, requests an extension of time to file her Petition for Writ of Certiorari. The specific date is for June 14, 2023. The final judgment was entered on February 23, 2023, and the denial of petition for rehearing and rehearing *en banc* was entered on March 28, 2023, and the date the Petition for Writ of Certiorari will expire is May 24, 2023.

Petitioner is filing less than 10-days before the due date of May 24, 2023. The extraordinary circumstances are the following: On May 13, 2023, Petitioner was subjected to Septic gases while working on the Briefs for the two Petitions for the Fitness International, LLC., (USCA Case Number 22-2297) inside the Business Center at the Westin Hotel, located in Herndon, VA. Petitioner fell into a dying state from the inhalation of the Septic gases. One week later on Saturday, May 20, 2023, Petitioner entire vehicle was sprayed with chemical poisoning at the Residence Inn located in Chantilly, VA and Petitioner fell severely and extremely ill from the inhalation of the chemicals. On Monday, May 22, 2023, Petitioner's vehicle was sprayed with chemical poisoning while Petitioner was working on the Petitions at the Courtyard by Marriott located in Arlington, VA and while Petitioner was drafting the letters related to the criminal actions.

The jurisdiction of this court is invoked under 28 U.S.C. § 1254(1). Yes, Petitioner is attaching copies of the opinion.

It is necessary for an extension of time because the alleged crimes caused Petitioner to become severely and extremely ill and miss the filing deadline which has now been preliminarily set by Cockle Legal Briefs for June 14, 2023,

Respectfully submitted,

Dora L. Adkins

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Dora L. Adkins appeals the district court's order adopting the recommendation of the magistrate judge, denying her requests for leave to file an emergency complaint and for leave to proceed on that complaint in forma pauperis, and dismissing her case. We have reviewed the record and find no reversible error. Accordingly, we grant Adkins' motion to amend her informal brief and affirm for the reasons stated by the district court. *Adkins v. Fitness Int'l, LLC*, No. 1:22-cv-01130-PTG-WEF (E.D. Va. Dec. 16, 2022). We deny Adkins' motions to reverse and remand, to vacate and remand, to replace her motion to vacate and remand, and to amend her motion to vacate and remand. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

The petition for rehearing en banc was circulated to the full court. No judge requested a poll under Fed. R. App. P. 35. The court denies the petition for rehearing en banc and the motions to amend the petition for rehearing en banc.
