APPLICATION

FOR EXTENTION FOR FILLING PETITION FOR A WRIT OF CERTIORARI

Dear United States Judge,

1. I have no spoken and written English, and because of that, all the documents related to my cases are prepared and written from people who help me for all of that.
2. After my illness with a virus, I received and continue to be in serious and very bad medical and physical conditions with serious medical complications and problems and practically I did not have and continue to do not have the mental and physical abilities for any normal work on the issues of these my Cases/Appeals.
3. I and people who helped me do not have any laws knowledge.

4. My family have been for a long time in financial collapse and I do not have any financial possibility to may hire Lawyers who to defend me in these cases..
5. I want to File my Petition for Writ of Certiorari of these my cases.
6. The 90 days for Filling this my Petition for Writ of Certiorari of these my cases is due day of July 10, 2023.

The people who now help me, prepared some documents for submitting my Petition for Writ of Certiorari in the Supreme Court, but when my wife contacted to your Office to understand how have to be submitted these documents, she was informed, that there are special requirement, by which have to be prepared these documents, and we understood that the documents, that were already prepared are not covering these requirements, and need again to start to prepare exactly according by the requirements of the Supreme Court.

The people who help me and may prepare all these Documents , have their commitments and they said, that they would need about 60 more days so that they can prepare all the necessary documents for me according to your requirements.

Because of all that I want to ask you:

To be given to me Extension for 60 days, so the people, who help me to may prepare again all the documents that are needed, according to your requirements, and I to may submit them for this Filling of my Petition for a Writ of Certiorari?

Enclosed: Medical document for my medical conditions.

Respectfully submitted :
