

**EXTENSION OF TIME REQUEST FOR
A PETITION FOR WRIT OF CERTIORARI**

No. _____

In The Supreme Court Of The United States

Dora L. Adkins, Petitioner,

v.

Ashford TRS Alexandria, LLC, Respondent.

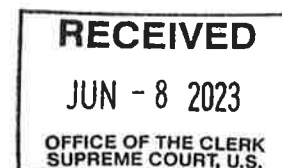

**APPLICATION FOR EXTENSION OF TIME TO FILE
PETITION FOR WRIT OF CERTIORARI TO THE
UNITED STATES COURT OF APPEALS FOR THE FOURTH CIRCUIT**

To the Honorable Chief Justice John Roberts for the Fourth Circuit Court of Appeals:

Petitioner Dora Adkins, requests an extension of time to file her Petition for Writ of Certiorari. The specific date was set for June 22, 2023. The final judgment was on March 23, 2023, and the date the Petition for Writ of Certiorari will expire is June 22, 2023.

Petitioner is filing more than 10-days before the due date of June 22, 2023. June 22, 2023 has filled with on Cockle Legal Briefs' schedule because the crimes caused Petitioner to cancel Petitioner's appointments. The extraordinary circumstances are the following: On May 13, 2023, Petitioner was subjected to Septic gases while working on the Briefs for both Petitions for the Fitness International, LLC., (USCA Case Number 22-2298) inside the Business Center at the Westin Hotel, located in Herndon, VA. Petitioner fell into a dying state from the inhalation of the Septic gases. One week later on Saturday, May 20, 2023, Petitioner entire vehicle was sprayed with chemical poisoning at the Residence Inn located in Chantilly, VA and Petitioner fell severely and extremely ill from the inhalation of the chemicals. On Monday, May 22, 2023, Petitioner's vehicle was sprayed with chemical poisoning while Petitioner was working on the Petitions at the Courtyard by Marriott located in Arlington, VA and while Petitioner was drafting the letters related to the criminal actions against the Petitioner. The EXACT same reasons for the most part Petitioner find herself before this Honorable Court is for chemical poisoning and it would be COMPLETE and TOTAL DEVASTATION to the Petitioner if Petitioner lose the right to file a Writ of Certiorari due to crimes enacted upon the Petitioner.

The requested filing date is for July 30, 2023.

The jurisdiction of this court is invoked under 28 U.S.C. § 1254(1). Yes, Petitioner is attaching copies of the opinion.

It is necessary for an extension of time because the alleged crimes caused Petitioner to become severely and extremely ill and miss the filing deadline because the filing deadline is no longer available with Cockle Legal Briefs.

Respectfully submitted,

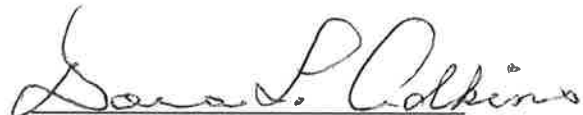

Dora L. Adkins

UNPUBLISHED

**UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT**

No. 22-2298

DORA L. ADKINS,

Plaintiff - Appellant,

v.

ASHFORD TRS ALEXANDRIA, LLC,

Defendant - Appellee.

Appeal from the United States District Court for the Eastern District of Virginia, at Alexandria. Patricia Tolliver Giles, District Judge. (1:22-cv-00790-PTG-WEF)

Submitted: March 21, 2023

Decided: March 23, 2023

Before WYNN and RICHARDSON, Circuit Judges, and KEENAN, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Dora L. Adkins, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Dora L. Adkins appeals the district court's order adopting the recommendation of the magistrate judge, denying her requests for leave to file an emergency complaint and for leave to proceed on that complaint in forma pauperis, and dismissing her case. We have reviewed the record and find no reversible error. Accordingly, we grant Adkins' motions for leave to amend her informal opening brief and affirm for the reasons stated by the district court. *Adkins v. Ashford TRS Alexandria, LLC*, No. 1:22-cv-00790-PTG-WEF (E.D. Va. Dec. 16, 2022). We deny Adkins' motions to reverse and remand, for leave to reverse and remand, for leave to vacate and remand, to replace, for leave to replace, to amend, for leave to amend, and for leave to amend and moot all other motions. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
