

SUPREME COURT OF THE UNITED STATES

IN THE MATTER OF THE : No. _____
PETITION OF JAMES L. MARTIN :
FOR WRITS OF MANDAMUS AND :
OF PROHIBITION :

Petitioner's Rule 30 Application to Justice Sotomayor (Justice Alito is ineligible) for Extension of Time to file Petition for a Writ of Certiorari to the Supreme Court of Delaware

I, James L. Martin, apply for an extension of time to file a Petition for a Writ of Certiorari to the Supreme Court of Delaware this 12th day of August 2022 for the following reasons, certified to be true and correct based on my personal knowledge in accord with 28 USC Sec. 1746:

1. The jurisdiction of this court to review the case is at 28 USC Sec. 1257(a).
2. The judgment to be reviewed was issued on 5-17-2022, at Ex-1a to 4a, and the petition for rehearing *en banc* was denied on 6-13-2022, at Ex-5a.
3. The 90-day period for filing a petition for a writ of certiorari expires on 9-12-2022. An 60-day extension of time, until 11-14-2022, in

light of ongoing appellate litigation against motorist David Nixon, from which this petition arose.

4. Justice Alito is disqualified in view of the fifteen-page Application to Associate Justice Samuel Alito for Recusal and for Disqualification, filed at No. 06-55, in *Martin v. United States Court of International Trade*, and incorporated herein by reference.

5. The additional time sought should possibly restrict issues presented for review, which include misleading docket entries; service of a vital stipulation about medical testimony on a deceased attorney of record; failure to serve an Order to limit medical testimony; issuance of an Order to foreclose offers of proof to preserve a record for appeal; and docketing a final, trial deposition transcript after a jury verdict was issued.

WHEREFORE, this Application should be granted to allow for a sixty-day extension for filing a certiorari petition, until 11-14-2022.
