Reason for granting extension of time to file Writ of
Certiorari. Several issues took place in the US District
Court and US Court of Appeals. That maybe
Construed as one or all the following: Misconduct,
Bias to Pro Se person, Obstruction of Justice,
Violating several constitutional rights; such as:
Due process, 14th Amendment, 5th Amendment,
7th Amendment. Attached is copies of such proof.
Also Petitioner contacted this Court by phone and
Mail requesting details on paper quality of his
Appendix section. Which was never answered.
Can Appendix be 8.5" x 11" in size; with original
Text, regular 20 lb paper? Humbly requested by

BACKGROUND

My case was dismissed for lack of payment from
The US Court of Appeals. I sent a payment and
Requested my case be reopened. Because
The US District Court never asked me for payment
And The US Court of Appeals said they sent 1 letter
Requesting payment. A phone call or email or
Even another request for payment should of been
Made before dismissing my case. People are a
Little to free in denying me my constitutional rights
To a trial; In my opinion. A lawyer or law firm would
Of gotten a phone call, email, another letter
requesting payment i believe. The same rights must
apply to all. Even Pro Se persons. For these reasons
A Extension of Time should be granted. In my opinion
