Plaintiff Motion for Temporary Restraining Order (TRO)

AND

Plaintiff Motion for Preliminary Injunction

Re: Matter of STORA V Board of Elections

Dear Supreme Court of the United States

My name is SKIBOKY STORA a party to the Above case

The Plaintiff SKIBOKY STORA is asking the court for a Temporary

Restraining order and Preliminary Injunction ordering Defendants in above case

to put the Plaintiff SKIBOKY STORA name on the New York State

ballot for the general election for November 8, 2022 for

Governor and his Lieutenant governor Alvin Moody for

Freedom Party before the first absentee ballot

is sent out for the general elections for New York State November 8, 2022

Plaintiff Motion for Temporary Restraining Order (TRO) and

Plaintiff Motion for Preliminary Injunction should be

granted for the FOUR following reasons.

1. Plaintiff have a strong likelihood of success on the merits

Because the Plaintiff received a pre-judice decision that

violates Plaintiff fifth amendment rights and 14th Amendment

rights of the constitutional - Right to Due Process because

The plaintiff was never notified that the defendants was having an EX parte communication with Judge Peter Sweeney until the Plaintiff received the Transcripts dated JULY 22, 2022 showing the EX parte communication between Judge Peter Sweeney and defendants while the plaintiff was locked out the court room by Judge Peter Sweeney Clerk on JULY 22, 2022.

2. Plaintiff will suffer IRREPARABLE DAMAGES without an INJUNCTION because this is a practice that the defendants have that they take black people and minority people that is candidates names of the voting ballot by the time things are straight out it's too late to do anything. BECAUSE defendant had our candidates that had the same argument as plaintiff on JULY 22, 2022, but they did not spell it out explicitly as the plaintiff have.

3. The Injunction will not substantially damages to the defendants because the defendants will not suffer any damages by put the plaintiff Skiboky Stora and his Lieutenant Governor Alvin Moody for freedom party on the ballot for the general election for November 8, 2022 before the first Absentee ballot is sent out. Plaintiff Entire campaign running for Governor was based on systemic RACISM in the system that holds black people and minorities people down

The Reason I, SKIBOKY STORA, the Plaintiff was running for governor is because of the systemic racism that is in the voting parties of the Democrats and Republicans out of 85% of black people and minority people in the communities it always comes out with two white people as their candidates.

4. The INSTRUCTION will be in the public interest

Because over 90,000 voters signed the Plaintiff petitions for New York State governor for the general election November 8 2022

Dated 9/25/2022

SKIBOKY STORA

CONCLUSION

plaintiff request this court to order the respondent New York State Board of Elections, to put plaintiff SRIROCKY STORA name on the New York state ballot for the general election for November 8, 2000 for Governor and his lieutenant governor. Alvin Moody for Freedom Party before the first absentee ballot is sent out for the general elections for New York State November 8, 2000 and granting plaintiff motion for temporary restraining order (TRO) and motion for preliminary injunction.
