

UNITED STATES COURT OF APPEALS

FILED

FOR THE NINTH CIRCUIT

MAY 24 2022

MOLLY C. DWYER, CLERK
U.S. COURT OF APPEALS

In re: IGOR LUKASHIN,

No. 22-80034

Respondent.

Western District of Washington,
Seattle

ORDER

Before: BYBEE, HURWITZ, and R. NELSON, Circuit Judges.

Respondent's motion for judicial notice as to the documents in the appendix to the motion (Docket Entry No. 5) is granted. The motion for judicial notice is otherwise denied. Respondent's request for court statistics is denied.

Respondent's motion for panel recusal and for out-of-circuit assignment (Docket Entry No. 6) is denied.

Upon review of the response to the April 22, 2022 order to show cause, we conclude that entry of the following pre-filing review order is warranted.

Respondent's filings in this court are restricted as follows:

Pre-Filing Review Order

(1) This pre-filing review order applies to all submissions respondent Lukashin seeks to file in any matter in this court in which respondent is not a party, if respondent proceeds pro se. This order will not apply to matters in which respondent is a party, or if respondent is represented by counsel.

(2) Each pro se submission by respondent in a matter in which he is not a party must contain the following sentence in the caption of the motion: “FILED SUBJECT TO PRE-FILING REVIEW ORDER No. 22-80034.”

(3) Respondent’s submissions will be docketed in this docket No. 22-80034. The court will review respondent’s submissions filed subject to this order to determine whether the submissions will be permitted to proceed. The court will issue an order for each submission granting or denying permission to proceed. If the court grants permission to proceed, the submission will be docketed in the case in which appellant seeks to file the non-party submissions. *See In re Thomas*, 508 F.3d 1225 (9th Cir. 2007).

(4) This pre-filing review order will remain in effect until further order of this court. Respondent may, no earlier than June 1, 2024, petition the court to lift this pre-filing review order.

(5) If respondent fails to comply with this order, respondent’s submissions in matters in which he is not a party will be summarily stricken, and respondent may be subject to sanctions.
