Appellee's contract should be considered void ab initio contract. I feel like an Indian that had my paid in full property taken by the Government and threatened with arrest if I went on my property where I am currently registered to vote since 1979

This Honorable court should return Appellant/plaintiff/owner Luis A. Soro back to his paid in full Home with colossal effort since March 01, 1993 as Appellee's contract has no legal force because it lacks mutual consent and lawful object and capable parties and fraud that is illegal by a terminally ill Father on prescription opioid narcotic drugs and late stage dementia and severe Alzheimer's Disease that did not know the difference between a fist full of one hundred dollar bills or one dollar bills. The Defendant obtained a judgment through illegitimate means of fraud and corruption AND ERROR.
