Motion Requesting Extention of Time
To File writ of Certiorari

Petitioner, Jimmy Wayne Guinard recieved The 9th circuit court of appeals Final ruling on his motion for reconsideration (Docket entry No. 15) on September 2nd, 2022, that was filed August 26th, 2022. Attached is a copy of that order. Petitioner Appealed The AZ. district courts rulings and was denied by the 9th circuit.

On September 23rd, 2022, Petitioner petitioned This court for appointment of counsel and was informed by This court The Supreme court does not appoint counsel for the purpose of preparing for a writ of certiorari. Also attached is a copy of that letter.

Petitioner is serving a 25 flat year sentence for NON-dangerous crimes, (Sales of less than one gram of meth).

Petitioner realizes that he only has one shot at getting his obvious Constitutional violations heard by This court, therefore

Petitioner has been in the process of trying to obtain counsel to assist petitioner in preparing his writ of certiorari. Petitioner has mailed his 9th circuit court pleadings to numerous attorneys who have requested to review them and petitioner is awaiting responses. (Petitioner's family is seeking affordable counsel as well),

Therefore, Petitioner is respectfully requesting this court grant this Petitioner an additional 90 day extension upto and including March 2nd, 2023 to file his writ of certiorari on the above intitled cause of actions.

Petitioner makes this request in hopes that one of the attorneys Petitioner has contacted will assist petitioner, and if not than petitioner will need this requested extension to try and prepare his writ himself.

Respectfully submitted this 26th day of October, 2022.
