Appellee.

BEFORE: Glickman, McLeese, and Howard, Associate Judges.

**ORDER**

On consideration of appellant's motion to recall the mandate, it is

ORDERED that appellant's motion to recall the mandate is denied. Appellant had not provided any basis for the court to reconsider its decision. This court previously affirmed the trial court order on appeal; both the panel and the full court denied appellant's petition for rehearing or rehearing en banc; and appellant's motion to stay the mandate was denied. Therefore, appellant has exhausted all avenues of relief in this court and the Clerk shall reject any further filings by appellant in this appeal.
