Dear Mr. Chief Justice:

Jurisdiction in this Court arises from the denial order of our petition for rehearing en banc in Case No. 22-5011, filed on November 7, 2022, by the United States Court of Appeals for the District of Columbia Circuit.

Please grant us leave to file our petition for a writ of certiorari with a 27,000 word limit under Rule 33 because we shall present the Court with at least five questions for your discretionary consideration to warrant review, which are too complex and nuanced to properly suss out without more words available to adequately describe the problems, importance, implications, and consequences, along with an analysis of the text, purpose, context, and history to necessarily ground the Court with good reasons to grant our petition.

Respectfully submitted,

Jenny Bruns, *Pro Se*

Jeremy Bruns, *Pro Se*
