**Re: *Virentem Ventures, LLC v. Google LLC***  
**Application for Extension of Time to file Petition for Writ of Certiorari**

Dear Chief Justice Roberts:

I write on behalf of Virentem Ventures, LLC (“Virentem”). On Friday, February 10, 2023, Virentem filed a request to extend the deadline to file its petition for writ of certiorari in the following appeals from the United States Court of Appeals for the Federal Circuit: No. 2021-1764 (lead) consolidating Nos. 2021-1764, -1765, -1804, and -1822; No. 2021-1805 (lead) consolidating Nos. 2021-1805 and -1806; and No. 2021-1934.

Virentem’s extension request stated that Respondent Google LLC (“Google”) had not responded to my inquiry regarding whether it intended to oppose Virentem’s request for an extension. This was incorrect. After submitting the filing, I learned that I inadvertently directed the inquiry to counsel who represent Google in related district court litigation instead of counsel from Paul Hastings LLP who represent Google in the *inter partes* review proceedings and the Federal Circuit appeals from which certiorari is sought.

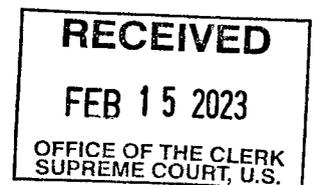

This error was corrected on Friday. My colleagues at Paul Hastings have now confirmed that Google will not oppose Virentem’s request for an extension of time.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Denise M. De Mory', written over a horizontal line.

Denise M. De Mory

Hon. John G. Roberts, Jr.
