v. United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Services Workers International Union Local 8363

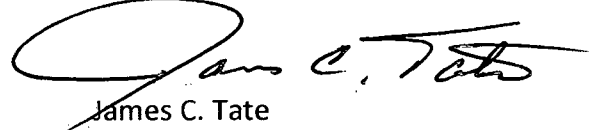

No. 22-6336

Dear Mr. Harris,

Last Thursday March 2nd late afternoon, I received your notice of denial of my motion to proceed *in forma pauper*. I am making efforts to comply with the notice but fear that I may not.

I am requesting additional time to comply with the submission requirement.

Sincerely,

James C. Tate
