MOTION FOR EXTENSION OF TIME TO FILE PETITION FOR WRIT OF
CERTIORARI

Pursuant to Supreme Court of the United States Rule 13.5 and Rule 30, the undersigned states the following under penalty of perjury:

1. The Supreme Court has jurisdiction under 28 U.S.C. 1254(1), 42 U.S.C. 405(g), and 42 U.S.C. 1383(c)(3).
2. Petitioner is seeking review of the Judgment of the Circuit Court of Appeals for the Seventh Circuit of December 9, 2022.
3. Petitioner, Jennifer M. Kuhn, a Social Security Disability Claimant, is seeking an extension for a Petition for Writ of Certiorari in this case due to be filed with the Court by March 9, 2023.
4. Plaintiff's attorney suffers from migraine headaches for which he is prescribed medication. Plaintiff's attorney has been battling these headaches all winter and they have substantially interfered with his ability to complete work. The headaches are intensified by storms and in the last two weeks, the area where he practices has endured an ice storm about February 22-23 with internet outages and then a major snow storm about week later. These extraordinary circumstances have impeded Counsel's ability to complete the petition on time.
5. A 60-day enlargement of time, through May 8, 2023, should provide sufficient time to prepare the Petitioner's Petition for Writ of Certiorari in this case before filing with the court.

CONCLUSION

Accordingly, the extension of time to file the petition for a writ of certiorari should be granted.

Respectfully submitted,

s/Randal S. Forbes
