UNITED STATES SUPREME COURT

Case No. \_\_\_\_\_

DANNY RODRIGUEZ,

Appellant,

v.

Appeal No. 20-14114-GG

11<sup>th</sup> Circuit Court of Appeals

UNITED STATES OF AMERICA,

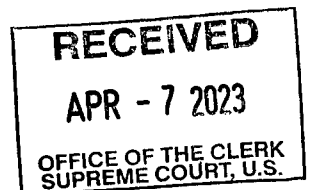

Appellee.

APPELLANT'S MOTION FOR ENLARGEMENT OF TIME TO PETITION THE  
COURT FOR WRIT OF CERTIORARI FOR GOOD CAUSE SHOWN

NOW COMES DANNY RODRIGUEZ, the "Appellant," and moves the Court for  
an enlargement of time (thirty days) to petition the Court for a  
Writ of Certiorari for good cause.

BACKGROUND

Appellant filed a § 2255 motion in the district court. The motion  
was denied. He appealed. The panel of circuit court judges affirmed  
the district court's judgment. Appellant moved for panel rehearing,  
which was denied. Finally, Appellant comes here now and moves this  
court for an enlargement of time to petition the Court for a Writ  
of Certiorari for good cause.

GOOD CAUSE

The appellant is currently housed at FCI Edgefield in South Carolina. Edgefield is being run under modified operations in an attempt to mitigate the spread of the COVID-19 virus. Under these conditions, Appellant has limited access to legal assistance, the Law Library, and other legal resources. Therefore, to prepare and file his response, Appellant needs more time and so moves the Court.

Wherefore, Appellant prays the Court will grant requested relief after considering good cause.
