Pro, Se letter

Hello I request a time extension to file my petition for Certiorari which is due May 10, 2023.

I am in segregation lockdown for my own safety from general population. I do not have access to copy machine to make copies of memorandum of my appeal being denied.

Unit team counselors have been notified since early as February 11<sup>th</sup> that I need legal copies made. I am being denied Admin. Remedy forms also for grievance. I have notified psych dept., CO's even other unit team's Lt's, etc... nothing is being done.

please I ask for an extension to file petition for certiorari.

Can you respond soon.
