RE: /Kelly v Swartz, et al. No. 21-1490, PA Order February 28, 2023

February 28, 2022

Dear Honorable Court:

Attached, please find the PA reciprocal order, my retirement confirmation and my proposed certification.

I believe that most people are enslaved to sin, die and go to hell. I believe the mark of lawlessness of children of the devil is business greed. I believe people go to hell for blindly doing their job, what they were trained to do when they do not care to see how they harm others to prevent it. Not knowing is guilt. I believe delegating duties makes one guilty to be damned to hell too for not caring to know. Even children will be damned to hell for their unconcern per *Ezekiel* Chapter 9. I believe babies are born evil not saved from hell yet. I get really sad when kids die because I have little hope they will have eternal life. See *John* 3. I do not want people to be harmed, die and go to hell the last day, judgment day.

I was horrified when I read the Honorable Hardiman's dissent in the airport case where he favored making money and businesses by eliminating free speech on a sign to prevent racism by alerting people it is a problem. I believe that Honorable Hardiman is in danger of damnation in hell for selling liberty for material gain of government's people or government backed partners.

I care about Judge Hardiman, but that case shocked me. I am horrified by the US Supreme Court's allowance by the union of church and state by money. I believe that people are children of the devil when they focus on money, material gain and saving the world at the cost of human sacrifice. Jesus teaches those who buy and sell as worship are not welcome into heaven. See *John 2:16*.

Freedom is not for sale.

I believe people sin by their evil focus on convenience, avoidance of costs, and productivity when they sacrifice justice by truth not by barter or exchange which eliminates freedom by making even people for sale products.

I believe many go to hell because the way money is coined. Money is coined out of nothing to enslave people to pay back what the Federal reserve and banks do not create with interest. There is not enough money in existence to eliminate debts. It is a Ponzi scheme to lend out what you do not have. The banks' reserve requirement used to be 10 percent, meaning they could use 90 percent of people's bank deposits to play the lottery of lending out or playing

stock. Now it is 100 percent. I am concerned of a bank run similar to the one that occurred in 1907-1908. Banks may give depositors bank buy ins at their customers loss should the banks tell people the truth, there is too little money in existence, not too much.

If the government coined correctly, judges would not be tempted to have the evil eye by so much concern about productivity, position, or money that they fail to render justice based on truth, not time, money or weighing of interests, which makes freedoms for sale. Courts would have eyes to see clearly to render true justice to prevent philanthropist and businesses from killing, stealing, oppressing and destroying human life, liberty and health for material gain. There pay would be guaranteed by the governments coining to serve and protect the liberty of the people, as opposed to the current system of slavery. I have noticed this court that I have religious objections to debt. I believe debt enslaves people to hell by making money savior. I believe those who create debt commit a greater sin leading to loss of eternal life should they not repent.

I do not want people to be enslaved to sin and death in hell. I hope to walk you through a way to decrease the temptations to sin to save the people who make the United States a country.

There are plans to eliminate fiat currency, but there worse agendas ahead that will eliminate Constitutional freedoms if judges do not care to stop these schemes. I hope you care.

I do not feel well, and require rest and time to care for my health in light of the surgery I noticed you of. I have not been okay the past few days. I hope you choose to safeguard the rule of law and these United States with or without me, or least guide the Honorable Hardiman and other judges to not make freedom sacrificed for material gain. Maybe you can save judges' eternal lives. I do believe his thinking leads not only to loss of First amendment liberties, but eternal lives too. I was so upset about it. I am glad he is recused because I really was disappointed and shocked by his dissent. I care about him in real life, but that thinking is not okay. Sacrificing liberty for material gain is not okay. I have to stand up for First Amendment rights by those who prefer money and sell what is not for sale, freedom. This is a Ponzi scheme by selling what is not owned by the government, the people. I need to help you make the government coin correctly to serve not sell the people as products.

Thank you for your time and consideration.

Respectfully Submitted,

February 28 2022

US Supreme Court does not want notices accepted the 5th Re: SC Order, Letter to Respondent, Standard Guidance, Excerpt of Rule Pa.R.D.E. 217 and Compliance Forms

Good afternoon,

Thank you. I also pled the 5th Amendment with the US Supreme Court and the DC. They accepted my pleading of the 5th. So, the form may not be tailored to my unique situation.

I had mailed additional notices to the US Supreme Court, but they did not want them and mailed them back. They were not happy to be notified and indicated my pleading of the 5th would suffice.

I do not want to anger the US Supreme Court as they are not happy about getting multiple boxes to process.

I hope you can understand my dilemma that I may have to draft a separate form noting the US Supreme Court and DC accepted my 5th Amendment argument. So notice is not required to prevent compelling me to violate my Constitutional right against self-incrimination and against making the US Supreme Court displeased by extra paper their agent indicated their agent do not want.

Thank you,

Meg

Good afternoon,

I have religious objections to the use of a title before my name such as Ms. or Miss or Mrs. Could you please call me Meg.

Per our discussion, 204 Pa. Code § 217 (d)(1) indicates

“(d)(1) Orders imposing suspension, disbarment, administrative suspension or transfer to inactive status shall be effective 30 days after entry.”

I am not licensed in PA since am retired, but I am backed up with other pro se litigation representing myself in other matters. Could you please confirm I have 40 days as opposed to the ten days from today.

That was my main question I had when I called.

04 Pa. Code § 217 (e)(1) further indicates:

"(1) Within ten days after the effective date of the disbarment, suspension, administrative suspension or transfer to inactive status order, the formerly admitted attorney shall file with the Board a verified statement and serve a copy on Disciplinary...."

Thank you so much for the clarification. Have a good day.

Very truly,

Meg

In accordance with Rule 219(i) of the Pennsylvania Rules of Disciplinary Enforcement, it is requested that an Order transferring the above attorney to retired status be issued.

Certificate of Compliance

Pursuant to Rule 217(e) of the Pennsylvania Rules of Disciplinary Enforcement, I hereby certify as follows in connection with the PA Order dated February 28, 2023, No 2913 DD3 under religious objection to affirming under the penalty of law I declare I have license interests in the following jurisdictions:

1. United States Supreme Court
2. DC
3. District Court for the Eastern District of PA
4. Third Circuit Court of Appeals
5. Delaware Supreme Court
6. Delaware District Court
7. PA

To the best of my knowledge, I have never practiced law in PA. I have no fiduciaries or clients to notify regarding attorney represented work in PA or any other jurisdiction.

There are no clients being represented in pending matters or proceeding. Nor are there persons or their agents or guardians to whom a fiduciary duty is owed.

Copies of the notices required by 204 Pa. Code § 217 subdivisions (a), (b), and (c)(1) do not apply to me. There is no one to notify.

I have no such appointments to resign from.

I have been retired from this jurisdiction since 2018. I have not practiced law for more than 6 years. I have no IOLTA, Trust, client or fiduciary accounts to close.

I have no applicable advertisements or telecommunication listings which I am aware of or authorized that expressly or implicitly convey my eligibility to practice law in the state courts of Pennsylvania, other than my documents and pleadings in the Courts where loss of license(s) and reputation are indicated as damages for the Delaware Supreme Court's malicious disciplinary proceeding brought in bad faith to punish me for the exercise of my fundamental

rights. Old outdated material is not handed out or publicized. Should anyone publicize information advertising my license interest in PA as of the date of this signature, it is without my knowledge, consent, or authorization.

I have ceased and desisted from using all forms of communication that expressly or implicitly convey eligibility to practice law in the state courts of Pennsylvania, including but not limited to professional titles, letterhead, business cards, signage, websites and references to admission to the Pennsylvania Bar.

I have no such license card and/or certificates in my possession to surrender. The residence or other address where communications may hereafter be directed to me is as follows: Meghan Kelly, 34012 Shawnee DR., Dagsboro, DE 19939.

I am a Christian and have religious objections to being referred to by using the term Ms., Miss, or Mrs. Please honor my religious belief by calling me by my name Meghan Kelly so as not to dehumanize me and compel religious violations of my faith in Jesus Christ.

With regards to 204 Pa. Code § 217 (c) (2), I have not sent notice to the United States Supreme Court and DC. I have pled the 5th Amendment to DC and the United States Supreme Court. They accepted my Constitutional assertion not to incriminate under the 5th. So, notice is waived in those two jurisdictions.

On February 28, 2023, I emailed the arm of the Delaware Supreme Court, the DE ODC the order. I emailed Gail Olsen, the administrator of the Eastern District of PA a copy of the Order. I filed notice with the Third Circuit Court of appeals on my civil rights case. I called the Delaware District Court and filed notice with the civil rights case. I also mailed out a copy of the Order to the DE District Court and the Third Circuit Court of Appeals.

Attached find of the proof of notices.

I am serving Office of Disciplinary Counsel. By email. It is against my religious belief to declare, swear, or affirm under penalty of law.

Jesus Christ teaches let your yes be yes and your no be no anything else is from Satan for making people for sale products not free in Jesus Christ under the threat of penalty by law. Even an unsworn declaration is against my belief in God against servitude to the devil and death in hell. I seek an exemption so as not to violate my genuinely held religious beliefs.

Please find my pleading in Delaware where I indicated swearing in violates my belief in Jesus from being damned to hell for the convenience of mere people.

I assert my right to remain separate by not sinning for the convenience and material gain of the world. I seek to please God not man. I safeguard people's freedom to believe differently than I, but I will not participate, encourage or support things I believe will mislead them to hell.

I believe people go to hell by requiring others to be enslaved to money or man by oaths. I do not want participants in this matter to be thrown into the fire as unworthy on judgment day. Most people go to hell per Jesus Christ. *Matthew 7:13-15, Luke 18-23, Isaiah 10:22*. I prefer to encourage people to turn away from such evil to be saved from the default, the fires of hell to lose eternal life the last day. My religious beliefs are genuine.
