

MOTION TO DIRECT CLERK

We the petitioners R.L.B.Jr and B.L.B2 are submitting said Motion for the Clerk to file out of time, the explanation or reason is that the petitions are forma pauperia and there was a misunderstanding in the 90 submissions. The last date of decision was submitted on August 17, 2022, and the Rule Book identifies that there is a submission of a Writ within 90 days, with that being said we the petitioners were understanding that it was saying that we had until November 17, 2022.

We the petitioners R.L.B.Jr and B.L.B2 on time to our calculations had the Writ signed and notarized by November 16, 2022, and overnight mail to arrive and signed with a tracking number for which it was delivered and signed on November 17, 2022. Furthermore, there was nothing stating that the Writ was to be submitted two days prior to the date of the 90 days it just stated within 90 days of the last judgment.

We the petitioners R.L.B.Jr and B.L.B2 do pray that this Motion TO DIRECT CLERCT TO FILE WRIT Of CERTIORARI out of time due to the above explanations and reasons.
