**RE: Request for extension of time to file response to petition
Mattingly v. R.J. Corman Group, LLC, et al.
S. Ct. No. 23-1056**

Dear Mr. Harris:

My firm is counsel for the respondents in the above matter. Petitioners filed their petition for writ of certiorari on March 22, 2024. According to the online docket and pursuant to Rule 15.2 of the Rules of the Supreme Court of the United States, a response is currently due on April 25, 2024. Pursuant to Rule 30.4, respondents respectfully request that the time for filing a response be extended by 30 days to and including Saturday, May 25, 2024.

This is respondents' first request for an extension of time to file a response. Good cause exists for the requested extension. We have been advised by their counsel that the Sheet Metal, Air, Rail transportation Workers – Transportation Division; the Brotherhood of Locomotive Engineers and Trainmen; and the Academy of Rail Labor Attorneys intend to file an amicus brief in support of Petitioners Writ of Certiorari in the above matter. An extension of time would enable the evaluation of the amicus brief and preparation of a response to the petition that would be most helpful to the Court.

Accordingly, respondents respectfully request that the time for filing a response to the petitioner's petition for writ of certiorari be extended by 30 days, to and including Saturday, May 25, 2024. Counsel for the petitioners, Joseph Mattingly, has informed me by email that petitioners do not object to this request.

Sincerely,

/s/ Shane O'Bryan
