**RE: Request for extension of time to file response to petition  
Mattingly v. R.J. Corman Group, LLC, et al.  
S. Ct. No. 23-1056**

Dear Mr. Harris:

My firm is counsel for the respondents in the above matter. Petitioners filed their petition for writ of certiorari on March 22, 2024. On April 29, 2024, the Sheet Metal, Air, Rail transportation Workers – Transportation Division; the Brotherhood of Locomotive Engineers and Trainmen; and the Academy of Rail Labor Attorneys filed an amicus brief in support of Petitioners Writ of Certiorari. Respondents filed a Waiver of Right to Respond to the Petition for Writ of Certiorari on May 15, 2024. On June 4, 2024, a response was requested by the Court. According to the online docket, the response is currently due on July 5, 2024. Pursuant to Rule 30.4, respondents respectfully request that the time for filing a response be extended by 30 days to and including Monday, August 5, 2024.

Good cause exists for the requested extension as counsel for respondents has a full calendar with numerous depositions and hearings from now until the beginning of July, and does not have sufficient time to enable the preparation of a thorough response to the petition by July 5. An extension of time would enable the preparation of a response to the petition that would be most helpful to the Court.

Accordingly, respondents respectfully request that the time for filing a response to the petition for writ of certiorari be extended by 30 days, to and including Monday, August 5, 2024. Counsel for the petitioners, Joseph Mattingly, has informed me that petitioners do not object to this request.

Sincerely,

/s/ Shane O'Bryan
