Re: *Garmong v. Tahoe Reg. Planning Agency, et al.*, U.S. S. Ct. No. 23-1200

Dear Mr. Harris,

I am counsel of record for respondent Tahoe Regional Planning Agency. I write to seek a 30-day extension of time in for all respondents to file any responses to the petition for certiorari. Responses are currently due June 7, 2024; with the requested extension, they would be due July 8, 2024. The requested extension is warranted because respondents have been timely notified pursuant to Supreme Court Rule 37.2 that an amicus brief in support of petitioners will be filed on or before June 7. The requested additional time is necessary to allow respondents time to review the amicus brief and, if warranted, to respond to it. In addition, counsel has recently-arising family eldercare responsibilities which, combined with a number of imminent litigation deadlines, independently warrant an extension.

Sincerely,

Sean H. Donahue
