Clerk of the Court
Supreme Court of the United States

Re: PPI Enterprises, LLC v. Town of Windham, New Hampshire, No. 23-1277

Dear Mr. Harris:

Pursuant to Rule 30.4 of the Rules of this Court, I am writing on behalf of my client, Respondent, Town of Windham, New Hampshire, to request a second extension of time, to and including October 25, 2024, to file a response to the petition for a writ of certiorari in the above case. This Court previously granted a first request for extension of time on August 19, 2024, which extended the deadline for a response to September 25, 2024. The first extension of time was sought by the Respondent to allow time to secure representation by a member of the Supreme Court Bar. I have since been admitted to the Court's Bar and engaged by the Respondent.

This second extension of time is necessary to allow adequate time to familiarize myself with the lengthy record in this case, which spans a period of approximately five years, and includes two appeals before the New Hampshire Supreme Court. This second extension of time is further necessary because of preexisting client commitments, including out-of-state travel, which limits the amount of time that I can dedicate to the preparation of a response between now and the current September 25, 2024 responsive deadline.

Counsel for Petitioner has assented to this request for a second extension of time.

Sincerely,

Robert J. Dietel
