Re: *Intel Corporation et al. v. Vidal*, No. 23-135

Dear Mr. Harris:

I represent respondent Google LLC in the above-captioned case. Google was an appellant—aligned with petitioners Intel Corporation, Edwards Lifesciences Corporation, and Edwards Lifesciences LLC—in the Federal Circuit action that produced the judgment at issue in the pending petition for a writ of certiorari. Google maintains its interest in the outcome here. Should the Court grant the petition, Google intends to seek all available relief.

Respectfully submitted,

/s/Nathan K. Kelley
