Supreme Court of the United States

Re: *Williams, et al., v. Washington*, No. 23-191

Dear Mr. Harris:

I write to request an additional extension of 21 days for the filing of respondents' brief in opposition in the above-captioned case, which would extend the time to file to November 20, 2023. Respondents' brief in opposition is currently due October 30, 2023, after having previously received a 30-day extension of this deadline.

An extension is requested to allow additional time to further research the record and legal issues presented in this case. Additionally, between now and the current due date, respondents' counsel have substantial obligations, including preparation for argument in *Culley v. Marshall*, No. 22-585, which is scheduled to be argued before this Court on October 30, 2023.

Petitioners' counsel indicated that petitioners do not oppose this extension.

Thank you for your assistance.

Respectfully submitted,

s/ Edmund G. LaCour Jr.
